### **Long-Term Care (LTC) Pharmacy**

If you reside in an LTC facility, you pay the same cost-sharing amount outlined under the Initial Coverage stage as at a network retail pharmacy. LTC pharmacies must dispense brand-name drugs in amounts of 14 days or less at a time. They may also dispense less than a one month's supply (31-day) of generic drugs at a time. Contact Express Scripts Medicare if you have questions about cost-sharing or billing when less than a one-month supply is dispensed.

### **Out-of-Network Coverage**

You must use Express Scripts Medicare network pharmacies to fill your prescriptions. Covered Medicare Part D drugs are available at out-of-network pharmacies only in special circumstances, such as illness while traveling outside of the plan's service area where there is no network pharmacy. You generally have to pay the full cost for drugs received at an out-of-network pharmacy at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. Please contact Express Scripts Medicare Customer Service at the numbers on the back of this document for more details.

### **IMPORTANT PLAN INFORMATION**

- The service area for this plan is all 50 states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, the Northern Mariana Islands and American Samoa. You must live in one of these areas to participate in the plan.
- You are eligible for this plan if you are entitled to Medicare Part A and/or are enrolled in Medicare Part B, are a U.S. citizen or are lawfully present in the United States, and are eligible for benefits from Prince George's County Government.
- You must continue to pay your Medicare Part B premium, if not otherwise paid for under Medicaid or by another third party.
- The amount you pay for a prescription may differ depending on what type of pharmacy is used; for example, retail, home infusion, LTC or home delivery.

- If your doctor prescribes less than a full month's supply (31-day) of certain drugs, you will pay a daily cost-sharing rate based on the actual number of days of the drug that you receive.
- To find a network pharmacy near you, visit our website at [express-scripts.com/pharmacies](https://www.express-scripts.com/pharmacies).
- Your plan uses a formulary – a list of covered drugs. The amount you pay depends on the drug's tier and on the coverage stage that you've reached. Please note from time to time, a drug may move to a different tier. If a drug you are taking is going to move to a higher (or more expensive) tier, or if the change limits your ability to fill a prescription, Express Scripts will notify you before the change is made.
- Beginning October 15, 2021, you can access your plan's 2022 list of covered drugs by visiting our website at [express-scripts.com/documents](https://www.express-scripts.com/documents).
- The plan may require you to first try one drug to treat your condition before it will cover another drug for that condition.
- Your healthcare provider must get prior authorization from Express Scripts Medicare for certain drugs.
- If the actual cost of a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.
- If you request an exception for a drug and Express Scripts Medicare approves the exception, you will pay the cost-sharing amount set by your plan for that drug.
- When you use your Part D prescription drug benefits, Express Scripts Medicare sends you an *Explanation of Benefits* (Part D EOB), or summary, to help you understand and keep track of your benefits. You may also be able to receive a copy electronically by visiting our website, [express-scripts.com](https://www.express-scripts.com), or by contacting Express Scripts Medicare Customer Service at the phone numbers on the back of this document.

For an explanation of your plan's rules, contact Express Scripts Medicare Customer Service at the numbers on the back of this document or review the *Evidence of Coverage* (EOC) by visiting our website, [express-scripts.com/documents](https://www.express-scripts.com/documents). You can request a copy of the EOC by calling Express Scripts Medicare Customer Service.

### **Does my plan cover Medicare Part B or non-Part D drugs?**

In addition to providing coverage of Medicare Part D drugs, this plan provides coverage for Medicare Part B medications, as well as for some other non-Part D medications that are not normally covered by a Medicare prescription drug plan. The amounts paid for these medications will not count toward your yearly deductible, total drug costs or total out-of-pocket expenses. Please call Express Scripts Medicare Customer Service for additional information about specific drug coverage and your cost-sharing amount.

### **Will my income affect my cost for Medicare Part D coverage?**

Some people may pay an extra amount called the Part D Income-Related Monthly Adjustment Amount (Part D-IRMAA) because of their yearly income. If you have to pay an extra amount, Social Security – *not your Medicare plan* – will send a letter telling you what the extra amount will be and how to pay it. If you have any questions about this extra amount, contact Social Security at 1.800.772.1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1.800.325.0778.

**Read the *Medicare & You 2022* handbook.**

The *Medicare & You* handbook has a summary of original Medicare benefits, rights and protections, and answers to the most frequently asked questions about Medicare. You can get a copy at the Medicare website (<https://www.medicare.gov>) or by calling 1.800.MEDICARE (1.800.633.4227), 24 hours a day, 7 days a week. TTY users should call 1.877.486.2048.
