

Does Your Child Meet the New Immunization Requirements?

New Immunization Requirements Effective August 2014

Attention Parents/Caregivers!

All Prince George's County Public Schools (PGCPS) students who will be entering Kindergarten or Grade 7 will need the following vaccines before the 2014-2015 school year begins.

Kindergarten Requirements:

- Two doses of Varicella (Chickenpox Vaccine)

Grade 7 Requirements:

- TDaP (Tetanus, Diphtheria and Pertussis Vaccine)
- Meningococcal Vaccine

How to update your vaccines now:

Those with health insurance:

Contact your primary care provider or visit your local pharmacy to obtain required vaccinations.

Those without health insurance:

Contact the Prince George's County Health Department at: 301-583-3386 to obtain required vaccinations.
