Clean Water Clear Choices: Stormwater Audit

For Immediate Release: 9/12/2014 12:00 AM

Contact: Linda Lowe, Public Information Officer, Department of the Environment/301-836-2115

Hands-on workshop will review stormwater pollution practices

LARGO, MD – The Prince George's County Department of the Environment, in partnership with the City of Mount Rainier will host a Clean Water Clean Choices Stormwater Pollution Program on Saturday, September 13, 2014 from 10 a.m. – noon at the Mount Rainier Nature Center located at 4701 31st Place in Mount Rainier.

Registered participants will learn how to manage and reduce stormwater pollution around the home and receive information on the seven best management practices that include rain barrels, rain gardens, pavement removal, urban tree canopy, cisterns, permeable pavement and green roofs. Attendees will also perform a stormwater audit of two local residences.

WHO:

Prince George's County Department of the Environment Director Adam Ortiz

City of Mount Rainier Mayor Malinda Miles
