Purpose

The Washington Suburban Sanitary Commission (WSSC) in its efforts to meet a federally mandated Consent Decree by December 2015 and the need to rehabilitate WSSC's aging infrastructure, we are seeking proposals for additional Indefinite Delivery Indefinite Quantity (IDIQ) Contracts for trenchless rehabilitation of sewer mains.

The Pre-Bid Conference will provide a brief Scope of Work and Solicitation requirements. The Outreach Event will provide vendors with an opportunity to meet WSSC A&E/Construction Team representatives, a venue for Prime Contractors and Subcontractors to network, learn how to register in WSSC Centralized Bidder Registration (CBR) system and obtain information on MBE certification requirements from MDOT and other recognized agencies.

Visit the **CBR** at www.cbr-wssc.com for details regarding Solicitation RFP CI5183A11.

For more information, please contact the SLMBE Office at 301-206-8800.
