

# ANNE ARUNDEL ONE-STOP CAREER CENTERS

## WORKSHOP

# Using the Internet to Land a Job

- Increase your chances of landing a job by developing an online presence.
- Investigate the power of Internet networking through the use of LinkedIn, Facebook, etc.
- Review the maze of online job postings, applications, and résumé writing.
- Explore tools that will increase your “hit rate” leading to successful interviews.
- Learn the appropriate format for your résumé and how to apply for positions through online job applications for both private and public sector employment.
