

# MINORITY INFANT MORTALITY WORKSHOP

Tuesday, May 24, 2011, 9:00 am – 3:00 pm

Bowie State University, Center for Learning Technology

---

The goal of this workshop is to strengthen interjurisdictional efforts to reduce minority infant mortality in the central Maryland region.

This workshop is intended for local health department staff and community health partners working to reduce infant mortality. Discuss regional trends; build partnerships; share promising practices; identify challenges and resources; and establish a working group.
