The mission of the Prince George's County Good Samaritan Award Program is to provide the Prince George's County Executive with a means to recognize citizens and residents who have demonstrated an act of kindness or who have provided assistance to individual(s), employees, communities, faith-based and religious organizations, businesses, schools or groups who need help. This award can recognize others through outreach programs, humanitarianism or advocacy for certain issues and causes.

The goal of the Prince George's County Good Samaritan Award (PGCGSA) is to identify and acknowledge acts of kindness through outreach in the community, humanitarianism and advocacy for certain issues and causes by presenting a proclamation or letter of recognition from the Prince George's County Executive.

Criteria/guideline for nominating candidate(s):

- 1) Recipient(s) and/or person(s) receiving the assistance should be a Prince George's County citizen or resident. If a group, corporation, religious-based organization or school is the recipient of an award, that organization should be located in Prince George's County.
