Section 820. **RESTRICTIONS ON CAPITAL PROJECTS: AMENDMENT TO CAPITAL BUDGET AFTER ADOPTION OF BUDGET.** No obligations of the County shall be authorized in any fiscal year for or on account of any capital project not included in the County budget as finally adopted for such year; provided that upon receipt of a recommendation in writing from the County Executive, the Council may, after public hearing and with the affirmative vote of two-thirds of its members, amend the County budget in accordance with such recommendation.

COUNTY CHARTER PROVISIONS PERTAINING TO BOND LEGISLATION

Section 822. **FORM AND TERM OF BONDS.** All general obligation bonds shall be in serial form and payable, as consecutively numbered, in annual installments, the first of which shall be payable not more than two years from the day of issue. Bonds shall be properly authenticated. All bonds shall be made payable within the probable useful life of the improvement or undertaking with respect to which they are to be issued, or, if the bonds are to be issued for several improvements or undertakings, then within the average probable useful life of all such improvements or undertakings. No bonds shall mature and be payable more than forty years after their date of issuance.

Section 823. **CONTENTS OF BOND ISSUE AUTHORIZATION ORDINANCES.** Any borrowing to finance capital projects must be authorized by an existing law of the General Assembly of Maryland or by a law of the Council adopted in accordance with this Charter. The Council may adopt from time to time bond issue authorization ordinances pursuant to an enabling law or laws then in force and in effect to provide the means of financing such capital projects as are to be financed from borrowing. Each Bond Issue Authorization Ordinance shall include a statement of the purpose or purposes of the issue, and if the purpose is to finance one or

more capital projects, it shall describe each of them sufficiently for purposes of identification, but no capital project shall be included unless the amount included therein shall be deemed sufficient to complete at least a usable portion of such project. The Ordinance shall estimate the cost of the project or projects and the portion thereof to be defrayed from sources, specifically named, other than the proposed bond issues. The Ordinance shall also include the amount of the proposed issue; a statement showing that the proposed issue is within the legal limitation on the indebtedness of the County; the probable useful life of the project or average probable useful life of the projects to be financed; a statement of the tax or other revenues of the County pledged to the payment of the principal of, and interest on, the bonds; and that the full faith and credit of the County are pledged to such payments.

COUNTY CHARTER PROVISIONS PERTAINING TO VOTER REFERENDUM

Section 323. **POWERS AND DUTIES OF THE COUNCIL.** The Council shall refer to a referendum of the voters of the County, at the ensuing regular congressional primary or general election, any act enabling the County to borrow money to finance capital projects, and any act or resolution pledging the full faith and credit of the County or any other guarantee by the County for any bonds to be issued by or for the benefit of any State or bi-County agency or district except for school construction bonds or obligations. Each such enabling act shall describe, sufficiently for purposes of identification, the specific capital project or projects to be financed by the borrowing authorized by said act, and shall authorize borrowing only for either a single capital project or for a number of capital projects of the same generic class. Unless the act or resolution so referred is approved by a majority of the voters at the referendum, the Council shall have no power to enact an authorizing ordinance pursuant to Section 823 of the Charter to carry into effect the terms of the act or resolution so referred and shall have no power to pledge the full faith and credit of the County or any other guarantee of the County for bonds to be issued by or for the benefit of any state or bi-county agency of district. Any ordinance authorizing the issuance of bonds pursuant to Section 823 of the Charter shall be referred to referendum of the voters as provided in this subsection and shall not be effective unless approved by a majority of the voters, if such authorization is for the purpose of providing for borrowing to finance a capital project authorized by any law enacted prior to the effective date of this amendment which law has not been approved at referendum.
