The People's Zoning Counsel appears at all hearings on zoning matters to protect the interest of the citizens and residents of Prince George's County and to ensure the compilation of a full and complete record. The People's Zoning Counsel is empowered to summon and cross-examine witnesses, introduce documentary evidence, file exemptions and make such argument to a hearing examiner of the Council as the law and the evidence may warrant.

The budget for the People's Zoning Counsel supports two contract attorneys, a Counsel and a Deputy Counsel. The majority of the cost is recovered from the Maryland-National Capital Park and Planning Commission.
