

THE PRINCE GEORGE'S COUNTY FY 2010-2015 PROPOSED CAPITAL IMPROVEMENT PROGRAM

CAPITAL IMPROVEMENT PROGRAM BUDGET PROCESS

The development of the Capital Budget and the six-year Capital Improvement Program (CIP) includes the following three phases:

I. Formulating Capital Budget Requests: August - September

- In August of each year, the Director of the Office of Management and Budget issues policy guidance and instructions to agencies and departments based upon the County Executive's priorities and the County's financial ability to issue new debt.
- During the month of September, agency heads assess their department's capital needs, relying upon prior planning studies and documents, functional plans, the Public Land and Facilities Inventory, and the Public Facility Development Program prepared by the Maryland-National Capital Park and Planning Commission. Facility requests are

programmed over the six-year capital program period, in keeping with departmental priorities and fiscal guidelines.

II. Executive Review and Proposal: October - March

- Capital budget program requests are reviewed by Office of Management and Budget staff between October and January. Discussions are held between agencies and the Office of Management and Budget to ensure conformance with fiscal guidelines, development studies, and the County Executive's commitments.
- The County Executive holds at least one public hearing on the capital and operating budgets during the last two weeks of January.
- The Office of Management and Budget makes recommendations to the Chief Administrative Officer and the County Executive regarding the composition of the Capital Budget and program, reformulating agency submissions when necessary to conform to financial guidelines regarding debt issuance.
- The County Executive submits the Proposed Capital Budget and Six-Year Capital Improvement Program to the Council no later than March 15.

III. County Council Review and Adoption: April - May

- During April and May, County Council staff review the Proposed Capital Budget and Program with staff from the Office of Management and Budget and departmental representatives.
- Between April 20 and May 10, the Council holds two public hearings on the Proposed Operating Budget and the Proposed Capital Budget.
- The Council, sitting as the Committee of the Whole, completes its review of the Capital Budget and Program by mid-May. The Council must adopt the Annual Budget and Appropriations Ordinance before June 1. Subsequently, it submits the Ordinance to the County Executive for signature.
- The Approved Capital Budget takes effect on July 1, the first day of the new fiscal year.
