Pursuant to R.R. 75, the Board of License Commissioners may issue an exemption from the Special Entertainment Permit that authorizes entertainment a licensed establishment. The request for renewal of the exemption must be filed annually between July 1<sup>st</sup> and August 1<sup>st</sup>.

In order to be considered for an exemption to the Special Entertainment Permit a licensed establishment must show that is in the principal business of providing family entertainment. The Board will consider each request for exemption on a case-by-case basis the approval of the exemption based on the information available to the Board. Examples of licensed establishments that the Board may find are in the principal business of providing family entertainment include, but are not limited to:

1. Establishments that provide entertainment that is directed to children at all times.
2. Establishments that customarily serve families during all business hours, does not impose a cover charge, and provide entertainment that is clearly secondary to the dining experience.
3. Establishments that customarily provide theatrical performances.
4. Establishments that are a part of a university or other academic facility.
5. Establishments that customarily host sporting events.
6. Establishments that are associated with the Maryland National Capital Park and Planning Commission.

Note: A licensee may not deviate from the entertainment, days, times, and other conditions that it describes to the Board when obtaining an exemption. A material deviation without prior Board approval constitutes grounds for the Board to immediately suspend the determination of exemption and schedule a hearing to determine whether a Special Entertainment Permit is necessary to replace the exemption.
