Embracing Student Achievement

The Scholar Dollar Program is a joint effort of Prince George's County Executive Jack B. Johnson, Prince George's County Public Schools, and Iverson Mall to recognize and reward students for academic excellence.

Iverson Mall has adopted **G. Gardener Shugart Middle School** as their partner in the new **Scholar Dollar Family Program**. Throughout SY 2008-09 Shugart students will have multiple opportunities to earn Scholar Dollars to support their education. Students can win laptops, gift cards, and receive other incentives for doing well in school on grades, attendance, and behaviour. Parents and guardians will be involved in this program. They may volunteer their time as tutors or visit educational workshops. For more information, contact Iverson Mall at **301-423-7400**.
