

# Strengthening Our Community

*Removing blight is a community effort. If you have a neighborhood blight concern, please contact the County at the following numbers so the problem can be resolved. Also, feel free to call Council Member Olson's office directly at 301-952-3060 for assistance.*

*Residents of Berwyn Heights, College Park, Landover Hills, New Carrollton, Riverdale Park, and University Park should first contact your local municipality. Blight concerns in these areas are mostly handled by city or town government.*

Illegal Dumping ( <i>parks, behind businesses, on roadways</i> )	301-499-8520

## Interested in Becoming More Involved In Your Community?

Here are a few ways to get started:

### **Join the Community Partners Program**

The Department of Public Works and Transportation is looking for residents to serve as their eyes and ears by becoming volunteer inspectors. Help the department by identifying problems such as snow and ice removal before they become major community concerns. Contact Susan Hubbard at 301-883-5600 for more information.

### **Join or Start a Neighborhood Watch Program**

Help the police by reporting suspicious activity. Find out more about your local neighborhood watch by contacting Kim Lugo, Police District 1 at 301-345-2553 or Sgt. James Rodgers, Police District 2 at 301-390-2184.

### **Coordinate a Neighborhood Cleanup**

You supply the volunteers and gloves and the Department of Environmental Resources will provide a dumpster for a neighborhood cleanup. Contact Valerie Watson at 301-574-5870 to coordinate.

### **Join or Start a Citizen Association**

Working together with other members of your community can help your neighborhood more effectively advocate your concerns. Contact Wanda Brooks at 301-952-3060 to find out about your local citizen association or for assistance in starting one.

### **Volunteer With Your Local School or Senior Center**

Many Prince George's County organizations are looking for volunteers. To find your perfect fit, please reference the 'Important Numbers' above.
