***\*HomeFree-USA offers a comprehensive set of services that include but are not limited to, personalized one-on-one pre-and-post purchase counseling and educational classes. HomeFree-USA does not offer a one-time, 8-hour prepurchase counseling course. Home buying services are offered on a Membership basis only for a cost of \$189. Classes are comprehensive and cover a variety of topics related to home buying and homeownership, credit enhancement, and wealth-building. In order to convey information in a thorough manner, classes are offered throughout the month and range from 1.5 to 4 hours per class. For the membership fee of \$189, members generally can receive 20+ hours of comprehensive services, while getting required hours for the My Home program. If the buyer pays the \$189 membership fee, the My HOME Program will credit towards the buyer's minimum cash contribution requirement.***
