TREASURER'S REPORT

September 26, 2022

Operating Budget

The FY22 annual audit has not been completed. The FY 2023 budget is in place pending any carryforward. To date the operating expenditures total \$21,669.13 of which \$3,054.13 were for the month of September. We anticipate additional expenses to come in between the 27th and 30th of the month, these will be added to the October expenses and reported next month.

Capital Improvement Program

As stated previously the County's Finance department annual audit process has not conclude yet for fiscal year 2022. While the FY22 audit continues the FY23 process continues to move forward. To date the RDA expended \$876,834.11 on Capital projects of that amount \$568,964.79 is attributed to expenses received in September. Most of the contractors and sub-contractors normally submit their invoices in the next month for work performed in the previous month so I am sure that there are other expenses to be submitted for work rendered in September.
