COVID-19 Update: Prince Georgians Remain Resilient

Dear Prince Georgians:

We are heartbroken to share with you that one of our own Prince Georgians has lost his life to the coronavirus, COVID-19. I ask that you join me in keeping his loved ones in our constant prayers. This pandemic represents an unprecedented crisis for Prince George’s County. We are confronting this pandemic head on and working around the clock to protect the well-being of our residents.

In an effort to keep our community informed, we hosted a Tele-Town Hall on Tuesday, March 17, 2020. I want to thank the 35,000 Prince Georgians who participated in our Tele-Town Hall, as well as Congressman Anthony Brown, Dr. Ernest Carter and Dr. Goldson for
joining me to provide critical updates to our community. We are continuing to explore unique and innovative ways to keep our community informed while adhering to social distancing guidelines.

In addition, I would like to thank the Capital Area Food Bank volunteers who helped feed over 600 families at our pop-up food pantries on March 17. Due to the high demand in Prince George's County, we are collaborating with the Capital Area Food Bank on pop-up food pantries in the near future.

We also have several updates to share with you regarding postponed events, changes to County services, and new resources for residents and businesses. We have cancelled or postponed two additional events, including the Senior Census Bingo Day scheduled for March 20, 2020 and our Growing Green with Pride Day scheduled for April 18, 2020.

The Economic Development Corporation (EDC), in collaboration with FSC First and the Prince George's Chamber of Commerce, is working to inform small businesses about the U.S. Small Business Administration's (SBA) Economic Injury Disaster Loan Program. This program provides small businesses with working capital loans of up to $2 million to help overcome the temporary loss of revenue they may be experiencing. The SBA has declared Prince George's County an economic disaster area that qualifies for this program.

Small businesses interested in applying should visit the SBA website. If your small business needs assistance with the application process, please reach out to the EDC, FSC First, or the Prince George's Chamber of Commerce.

WMATA has announced they are further reducing metro service. The rail system will close at 11:00 PM daily until further notice, and the public is urged to use Metro for essential trips only. More information can be found on their website.

The Department of Public Works & Transportation has announced a reduction in TheBus services. Effective today, TheBus has suspended transit service on Routes 21x, 22, 25, 35s, 51, and 53, as well as reduced service on Routes 27 and 34. There will be no fare charged on TheBus routes in service until further notice. Also, to promote social distancing, TheBus asks riders to enter and exit using the rear doors only, to limit close contact between passengers and the driver. Exceptions will be made for individuals with disabilities and mothers with strollers.

If you are not feeling well, do not take public transportation, call your health care provider immediately and ask for guidance and assistance. This is for your personal safety and the safety of our public transportation drivers.

The Department of the Environment has announced that the Animal Services Facility (ASF) and Adoption Center is operating under limited services. Appointments are required to obtain the following services: pet adoptions, call 301-780-7201; pet redemptions and pet licensing, call 301-780-7222; owner requested euthanasia and emergency owner surrender (sick or injured animals), call 301-780-7241. Animal control officers will be responding to emergency calls as needed. ASF is not accepting volunteers, except with a few on special assignment. Also, the facility will no longer accept donations of used household bedding, towels, stuffed animals, or any other items that cannot be disinfected, until further notice.

As a reminder, all bulky, regular trash and recycling, and yard trim collections remain on schedule. A complete and up-to-date list of County Government closures and changes in government operations can be found online here.

Prince George's County Public Schools (PGCPS) has announced another expansion of student meal sites during the statewide school closures. Now, students can receive a “Grab
and Go" bag at 36 sites across the County, which includes breakfast, lunch and a snack. These sites are open weekdays from 10:00 AM to 1:00 PM. More information and a complete list of meal sites can be found on the PGCPS website.

**Grocery stores** in our County have announced special **senior shopping hours** to assist our seniors with their shopping needs. Safeway hours are 7:00 AM to 9:00 AM on Tuesdays and Thursdays. Giant hours are 6:00 AM to 7:00 AM daily. Save-A-Lot hours are 7:00 AM to 8:00 AM daily. Please help us share this information with our seniors, and consider offering to pick up groceries for a senior loved one or neighbor that you know.

In addition to these County updates, Maryland Governor Larry Hogan has announced several new actions over the past few days, including:

- The primary election has moved from April 28, 2020 to June 2, 2020.
- All public gatherings of more than 10 people are now banned.
- Shopping malls and entertainment venues will be closed, effective at 5:00 PM today.
- Governor Hogan will sign an executive order intended to assist small businesses, allowing for delivery and carry-out sales of alcohol by restaurants, bars, distilleries and wineries, subject to local regulations.
- Access to BWI-Thurgood Marshall Airport terminal has been restricted to ticketed passengers and necessary personnel only.
- The Maryland Department of Motor Vehicles is extending drivers licenses and ID’s that expire soon to reduce the lines at motor vehicle offices. All Motor Vehicle Administration locations will offer in-person services by appointment only.

A comprehensive list of actions taken by Governor Hogan, as well as additional resources and ways that all Marylanders can help during this public health emergency, can be found online at the new [Maryland Unites website](#).

As a reminder, we have the power to help slow the spread of COVID-19 and save lives by practicing social distancing. This includes staying home as much as possible, and if you need to go out, avoiding crowds of more than ten people and keeping six feet of distance between you and others whenever possible.

Your County government is focused on you and your families. We can all do our part during this public health emergency by practicing social distancing, checking on our seniors, and staying informed. Be sure to check our dedicated coronavirus website for the latest updates: [health.mypgc.us/coronavirus](http://health.mypgc.us/coronavirus). If you have any questions or concerns related to the coronavirus, please call our hotline at 301-883-6627 from 8:00 AM to 8:00 PM daily.

Prince Georgians are resilient, we support one another, and we will hold each other up as we do everything we can to contain the spread of this virus and work to prevent further loss of life.

Yours in service,

*Angela Alsobrooks*

Cancelled: Growing Green with Pride Day
Dear Prince Georgians:

Spring is fast approaching! I am delighted to invite you to participate in our Spring 2020 community cleanup event “Growing Green with Pride Day” on Saturday, April 18, 2020 from 8:00 a.m. to noon.

In order to keep our communities clean and aesthetically appealing, we must all work together and do our part. On our annual “Growing Green with Pride Day” we will remove weeds, mulch, IPAddress trash, litter and remove illegally dumped materials from your County roadways.

If your company or organization would like to volunteer your efforts by participating in the Spring 2020 “Growing Green with Pride Day” community clean-up event, I encourage you to complete the registration form. When completing the registration please provide the contact name and phone number of the individual requesting participation. In your request, please include the date and location address for your community cleanup efforts. You may select up to five (5) locations to clean-up. Once you have completed the request, please email the contact information of the requestor to your County Executive’s Office in the subject line please indicate the number of volunteers and the location of the clean-up to be performed. The deadline for all requests is Friday, April 3rd.

Thank you for your continued support as we work together to ensure the Spring 2020 “Growing Green with Pride Day” is a huge success and Prince George’s County remains the Crown Jewel of Maryland.

Sincerely,

Angela Alsobrooks
County Executive

Groups conducting litter removal are encouraged to use the County’s PGCLitterTRAK smartphone app to report the number of bags of litter collected during Growing Green with Pride in your community.

COVID-19 Resources

Social Distancing
SOCIAL DISTANCING

WHAT IS IT?
Avoiding large crowds and gatherings (more than 10 people).

WHY DOES IT MATTER?
It may help limit the spread of COVID-19.

NEED TO GO OUT?
Keep 6 feet of distance between you and others whenever possible.

COVID-19 (Coronavirus)

DISTANCIAMIENTO SOCIAL

¿QUÉ ES?
Evitar grandes multitudes y reuniones (más de 10 personas).

¿POR QUÉ IMPORTA?
Puede ayudar a limitar la propagación del COVID-19.

¿NECESITA SALIR DE SU CASA?
Mantenga 6 pies de distancia entre usted y otras personas siempre que sea posible.
Managing a Respiratory Illness at Home
MANAGING A RESPIRATORY ILLNESS AT HOME
If you have possible or confirmed COVID-19 or other respiratory illness:

Stay home from work, school, and away from other public places. If you must go out, avoid using any kind of public transportation, ridesharing, or taxis.

Wash your hands often with soap and water for at least 20 seconds or clean your hands with an alcohol-based hand sanitizer that contains at least 60% alcohol.

Monitor your symptoms carefully. If your symptoms get worse, call your health care provider immediately.

For medical emergencies, call 911 and notify the dispatch personnel of your symptoms.

Coronavirus hotline: 301-883-6627

COMO MANEJAR UNA ENFERMEDAD RESPIRATORIA EN CASA
Si tiene COVID-19 posible o confirmado u otra enfermedad respiratoria:

Quédese trabajando en casa, por la escuela, y lejos de otros lugares públicos. Si necesita salir, evite usar cualquier tipo de transporte público, viaje compartido o taxis.

Lávese las manos a menudo con agua y jabón por al menos 20 segundos o limpie las manos con un gel desinfectante a base de alcohol que contenga al menos 60% de alcohol.

Monitoree sus síntomas cuidadosamente. Si sus síntomas empeoran comuníquese con un proveedor de salud inmediatamente.
Stop COVID-19 Scams
STOP COVID-19 SCAMS

Now is the time to be mindful of scams that may occur through email, text, phone calls, mail or in-person. Here are tips to help you remain vigilant:

There are no door-to-door coronavirus tests being offered

Before donating to a charity, check with the Maryland Secretary of State’s Office at 410-974-5521 to make sure a charity is registered

WATCH FOR FAKE PRODUCTS – there are no vaccines for coronavirus at this time

Utility companies or your bank will never call you for your personal information

The Social Security Administration will never call you asking for money
