COVID-19 Update: Prince George's County Will Enter a Modified Phase Two Reopening on Monday, June 15

Dear Prince Georgians:

Prince George's County is continuing to take a measured and smart approach to reopening, moving at our own pace due to the tremendous impact of COVID-19 on our County. On Monday, June 1, we moved into a modified phase one reopening and have been closely monitoring our COVID-19 data since then. Due to continued downward trends in the number of COVID-19 cases, deaths and hospitalizations, we are now ready to move into a modified phase two reopening on Monday, June 15 at 5:00 PM.

The past several months have been a trial, but due to the strong efforts of our community to contain the spread of COVID-19, our health officials have determined that we are ready for

this next phase of our incremental reopening. However, I want to stress that, as we slowly recover from this virus and adjust to our new normal, we must all continue to take certain precautions to protect ourselves and others, including wearing face coverings and practicing physical distancing.

As part of the modified phase two reopening, residents are still encouraged to exercise caution and limit non-essential trips. A number of non-essential businesses and services will be able to reopen with modifications that protect the health and safety of employees and residents, including the following:

- **Retail stores** can open in-store with safeguards and capacity limits.
- **Barbershops and hair salons** can open by appointment only at 50% capacity.
- **Nail salons** can open by appointment only with one customer per 200 sq. ft.
- **Restaurants** can continue to offer outdoor seating and can now open for indoor dining at 50% capacity.
- **Houses of worship** can open for indoor services at 25% capacity, or outdoor services of 250 people or less.
- **Outdoor community pools**, both public and private, can open at 25% capacity.
- **Outdoor youth sports** may resume in small groups, no more than nine children and one coach.
- **Parks** are open for personal fitness and fitness classes.

Some restrictions currently in place will remain. Gyms, fitness centers, and other indoor physical activities will remain closed. Amusement parks, casinos and enclosed shopping malls must remain closed. Gatherings of 10 or more people that are not outlined in our modified phase two reopening are still prohibited. County Government buildings will remain closed to the public, but please remember that your government is still operational and working for you.

More details about the modified phase two reopening and modifications in place for businesses are included below. I want to stress that this decision to move into a modified phase two was not made lightly. It was based on science and data in consultation with our public health officials. Residents are able to view all of the data and trends we used to make our decision through our [COVID-19 dashboard online](#).

Although this year has been a trial with COVID-19, we have stayed together, following the advice of public health experts to protect the lives of our fellow Prince Georgians. Whatever lies ahead, I am confident that we are ready to get through it, together.

Yours in service,

Angela Alsobrooks

Prince George's County Executive

COVID-19 Updates

Modified Phase Two Reopening

COVID-19 (Coronavirus)

Prince George's County Modified Phase Two Reopening

Prince George's County will enter a modified phase two reopening
June 15, 2020 at 5:00 PM.

We encourage all residents to use good judgment and limit non-essential trips.

What is Now Open with Modifications:

Retail Stores
(in-store at no more than 50% capacity)

Barbershops/Hair Salons
(by appointment only at 50% capacity)

Nail Salons
(by appointment only, 1 customer per 200 sq. ft.)

Restaurants
(outdoor seating, indoor dining at 50% capacity)

Outdoor Community Pools
(public and private at 25% capacity)

Child Care
Childcare Facilities
(for essential workers and phase two employees returning to work)

Houses of Worship
(indoor services at 25% capacity, outdoor services up to 250 people)

Outdoor Youth Sports
(small groups, no more than 9 children and 1 coach)

Car Washes with Automated Systems
(self-service now allowed)

Parks
(personal fitness and fitness classes)

What Remains CLOSED/Activities not Permitted:

- Indoor pools
- Gyms, fitness centers and other indoor physical activities
- County Government buildings
- Tattoo parlors
- Spas/Massage parlors
- Amusement parks
- Casinos
- Enclosed shopping malls

Unless expressed in our Executive Order, gatherings for all other activities are limited to no more than 10 people. For more information, please visit: mypgc.us/reopen

The County's modified phase two reopening begins Monday, June 15, 2020 at 5:00 PM. A number of businesses and services will be able to reopen with limitations and safeguards in place, listed below.

Retail stores will be able to open in-store with capacity limits of five people per 1,000 square feet allowed in the store, not to exceed 50% percent capacity.

Barbershops and hair salons will be allowed to open for hair services by appointment only at 50% percent capacity, with the use of personal protective equipment including masks and gloves for all employees. Customers must wear face masks and there must be floor markings to create adequate space. Employees are not permitted to have clients wait in a sitting area. All CDC guidelines must be followed.

Nail salons can now reopen by appointment with strong safeguards and physical distancing in place, including the use of face coverings and gloves by employees. High contact surfaces must be cleaned with disinfectant every two hours. Only one customer per 200 square feet of service delivery space is permitted. Customers are required to wear face coverings. All employees must receive training on CDC COVID-19 guidance. Digital payment methods should be encouraged as well.

Restaurants may be open with outside seating as well indoor dining at no more 50% capacity. Tables must be six feet apart, and no more than 50 people are allowed at one time at any outdoor restaurant establishment regardless of space. Employees must wear face coverings and have a health screening before shifts, and all CDC guidelines must be followed. Additionally, hand-washing facilities and hand sanitizer must be available. Restaurant patrons must wear face coverings unless they are eating, otherwise, face coverings must be worn at all times.

Houses of worship can open for gatherings not to exceed 25% capacity. Otherwise, they can maintain online services, drive-in services, and outdoor services of 250 people or less, as long as they maintain appropriate social distancing.

Childcare facilities will be able to open for essential employees and for employees who are returning to work in phase two. In addition to the use of masks and gloves for all employees and having appropriate social distancing and disinfecting in place, there must be a schedule for staggered drop-offs and pickups. Additionally, daily symptom checks and a strict dismissal policy in the event of positive cases must be in place.

Outdoor community pools, both public and private, may open at 25% percent capacity and must practice proper social distancing guidelines. **Indoor pools** will remain closed.

Car washes may open with automated systems, but drivers and passengers must stay inside of the vehicles at all times. Workers may wipe down the exterior of the car. Self-service car cleaning is now allowed.

Youth sports may resume in small groups, no more than nine children and one coach. There can be no more than 50 people in any area.

Parks are open for personal fitness and fitness classes. This includes all parks, fields, tennis courts, tracks, and golf courses. Low contact sports will be allowed as well.

Some restrictions currently in place will remain. **Gyms, fitness centers, and other indoor physical activities** will remain closed. **Amusement parks, casinos, and enclosed shopping malls** must remain closed. **Spas, massage parlors, and tattoo parlors** will also remain closed. Gatherings of 10 or more people that are not outlined in the modified phase two Executive Order are still prohibited.

County Government buildings will remain closed to the public. County Government will return a limited number of employees, increasing some additional services. However, we are encouraging employees to continue teleworking. The County Government is still open and operational, adding a number of virtual services in our agencies to ensure that we can still serve our residents.

Please remember that residents should still continue to take certain precautions during the modified phase two reopening. Face coverings are required in all businesses and on public transportation. Residents must practice physical distancing, maintaining at least 6 feet of distance between yourself and others. Finally, personal hygiene practices are the best way to prevent the spread of a disease, such as washing your hands often with soap and water for at least 20 seconds.

For more information on the modified phase two reopening, [please click here](#).

Business Questions on Reopening

REOPENING FOR PRINCE GEORGE'S COUNTY BUSINESSES

All County businesses with questions about whether they can be open and how they can operate as Prince George's County moves through its phased reopening should reach out to Experience Prince George's.

Email:
ReopenPrinceGeorges@co.pg.md.us

Phone:
301-925-8300

If you are a restaurant looking to add or expand outdoor seating options, please visit: dpie.mypgc.us/OutdoorSeating

Angela D. Aleshbrooks
County Executive

We understand that our business community may have questions about their own business operations as Prince George's County continues through its phased reopening. All County businesses with questions about whether they can be open and how they can operate should reach out to our team at Experience Prince George's. They can be reached at ReopenPrinceGeorges@co.pg.md.us or 301-925-8300.

New COVID-19 Testing Site

The Prince George's County Health Department is offering COVID-19 testing by appointment only at the following locations:

Cheverly Health Center
 3003 Hospital Drive
 Cheverly, MD 20782
 Monday-Friday, 10AM – 3PM

Rollingcrest-Chillum Recreation Center
 6120 Sargent Road
 Chillum, MD 20782
 Monday-Friday, 10AM – 6PM

These tests are FREE for all residents, regardless of insurance coverage.

Our testing sites can accommodate drive-thru and walk-up testing of those with or without symptoms who have been exposed to or suspect they may have been exposed to a COVID-19 person.

To schedule an appointment with our County Health Department, please call 301-883-6627.

For additional information on COVID-19 testing in Prince George's County, please visit: health.mypgc.us/covidtesting

Angela D. Alsobrooks
 County Executive

HEALTH DEPARTMENT
 Prince George's County

We opened a new COVID-19 testing site at the Rollingcrest-Chillum Recreational Center. As with our Cheverly location, this facility provides free testing for COVID-19 by appointment only. We plan to open at least three additional testing sites in the northern, central and southern parts of the County later this month.

In addition, the Prince George's County Health Department recommends that anyone who attended a recent peaceful mass protest should get tested for COVID-19, even if you wore a face covering and are not experiencing any symptoms of COVID-19. The County's testing sites accommodate testing for those in a car or on foot, and you do not need health insurance to be tested. People who have testing prescriptions from health care providers must still make an appointment.

Please call 301-883-6627 to schedule an appointment and visit [our website](#) for more information on COVID-19 testing.

Biweekly Modified Bulky Trash Drop-off Service Begins

IMPORTANT NOTICE REGARDING RESIDENTIAL WASTE SERVICE UPDATES

RESIDENTIAL BULKY TRASH, HOUSEHOLD HAZARDOUS WASTE AND ELECTRONICS RECYCLING COLLECTION

Saturday
June 6, 2020
8 a.m. - noon

Various Locations

KICK-OFF for Modified Residential Bulky Trash Drop-off Service

The Kick-off for Modified Residential Bulky Trash Drop-off Service is Saturday, June 6, 2020, 8 a.m. – noon at various locations. Residents can bring up to eight (8) items for disposal. Visit environment.mypgc.us for a complete list of locations and to view a list of acceptable and non-acceptable items. Drop-off sites operate rain or shine. NO household hazardous waste or electronics recycling will be accepted.

PHASE 1

BEGINNING JUNE 11:

The Department of the Environment will operate modified, biweekly residential bulky trash drop-off collection sites in the nine (9) Councilmanic Districts.

The Household Hazardous Waste and Electronics Recycling Acceptance Sites reopen at the Brown Station Road Sanitary Landfill. Sites are open on Thursdays, Fridays, and Saturdays only from 8 a.m. – 3:30 pm. Visit environment.mypgc.us for a list of acceptable items.

Due to COVID-19 restrictions, County staff are not allowed to assist, handle, or touch any bulky trash items. Residents must be able to independently lift and place their bulky trash items in the back of the packer truck. You are strongly encouraged to bring an extra person should you require assistance. There will be **no exceptions** to this guideline.

PHASE 2

Plans are underway for the reinstatement of curbside bulky trash services. Details will be posted online at environment.mypgc.us when available.

FOR MORE INFORMATION, CONTACT 311

The first week of modified bulky trash drop-off began on Thursday, June 11, with service from 11:00 AM until 7:00 PM in rotating councilmanic districts. Residents are reminded they may bring up to eight bulky items for disposal at the designated sites.

Also, the [Household Hazardous Waste](#) and [Electronics Recycling Acceptance Sites](#) located within the [Brown Station Road Sanitary Landfill \(BSRSL\)](#) in Upper Marlboro have reopened from 8:00 AM to 3:30 PM for regular service on Thursdays, Fridays, and Saturdays **only**. The Brown Station Road Sanitary Landfill remains **CLOSED** to residents, except those in District 6 for modified bulky trash drop-off according to the schedule.

For a list of [frequently asked questions](#), visit environment.mypgc.us. **Please note**, due to COVID-19 restrictions, County employees **are not** allowed to assist, handle, or touch any bulky trash items brought to the sites. Therefore, residents must be able to independently lift

and place their items in the back of the packer truck for disposal and are encouraged to bring an extra person should they require assistance.

Curbside residential bulky trash will resume at a later date, and we will share that information with our community. Visit environment.mypgc.us for more information or contact 311.

County Government Updates

Human Trafficking is Against the Law

HUMAN TRAFFICKING & DOMESTIC VIOLENCE ARE AGAINST THE LAW. LET'S END IT!

If you need help or if someone is controlling you, help is available! Call the National Human Trafficking Hotline at 1-888-373-7888, text "BeFree" to 233733, or call 311. Call the National Domestic Violence Hotline at 1-800-799-7233, text "LOVEIS" to 22522, or call 211. In an emergency, call 911. If you violate the law, there will be consequences. **CHOOSE TO HELP, NOT HURT!**

Logos: nrc HUMAN RELATIONS COMMISSION, State of Maryland, Prince George's County Department of Family Services.

The Prince George's County Human Relations Commission and the Department of Family Services are reminding you that human trafficking is a form of modern-day slavery in which traffickers use force, fraud, or coercion to control victims for the purpose of engaging in commercial sex acts or labor services. Both human trafficking and domestic violence are against the law! If you see something suspicious, please report it to 911. If you need help or know of someone else who needs help, resources are available.

Juneteenth at the Library

The Prince George's County Memorial Library System (PGCMLS) provides free access to anti-racism resources for the community at pgcmls.info/anti-racism. Recommended ebooks, audiobooks, streaming movies and documentaries, and online resources are accessible with a [PGCMLS library card](#) or [PGCPS LINK card number](#).

The Library is commemorating [Juneteenth](#) with a new [webpage](#) and a week of programs for all ages (June 15-19), including a special virtual "Community Spotlight" on Tuesday, June 16 at 8:00 PM. Native Prince Georgian and Emmy-nominated actor [Melvin Jackson Jr.](#) ("The Wire" and "Everybody Hates Chris") will appear in conversation with LaDonna Smith of PGCMLS. Jackson is an alum of Fairmont Heights High School and Bowie State University.

The community is also invited to contribute to a new crowdsourced digital collection called "[Archiving the Pandemic](#)." The submission form and details are available at pgcmls.info/archive-submission.

Finally, national bestselling author and columnist [George M. Johnson](#) discusses his debut book "All Boys Aren't Blue" on Wednesday, June 17 at 7:00 PM as part of LGBTQ+ Pride Month.

[Click here](#) to register for any of the Library's virtual events.

Buy Prince George's

Experience Prince George's has compiled a list of local shops to make it easy to support Prince George's County retail establishments. Browse [these listings](#) to find a great deal, get what you need, and most importantly, keep our businesses open! Buy Prince George's is a partnership brought to you by Experience Prince George's, the Prince George's County Economic Development Corporation, and the Prince George's Chamber of Commerce.

Redevelopment Authority Awards \$247,000 in Community Impact Grants

Redevelopment Authority of Prince George's County

The Redevelopment Authority of Prince George's County awarded \$247,000 in Community Impact Grants (CIG) to County civic associations and/or community-based organizations incorporated as 501(c)3 entities. Community Impact Grants provide small capital grants to community-based organizations to help implement innovative projects within the County. Eligible applicants must be located within Prince George's County and be in good standing with the State of Maryland.

Projects must fall into one of two categories: Neighborhood Beautification/Environment or Natural Resources and Sustainability. Grants can only be used for capital expenses related to the implementation of a community-based project. The total funding for FY 2020 for this program is \$247,000 and the maximum grant amount is \$75,000. The 2020 CIG award recipients are as follows:

- Friends of Greenbelt Theatre - \$50,000
- Joe's Movement Emporium - \$50,000
- Mt. Rainier Elementary School - \$7,000
- Salvation Army - \$40,000
- The Training Source, Inc. - \$50,000
- Windmill Square Condominium - \$50,000

Virtual Meeting for Bowie-Mitchellville & Vicinity Master Plan

In 25 years of moving our community creatively forward, there has never been a moment like this. Standing in solidarity with our artist partners, community leaders, and people of all colors, Joe's Movement Emporium is doing what they do best – leading with creativity. Performers from Joe's Movement Emporium in Mt. Rainier and the new Creative Suitland Arts Center will be expressing their artistic energy in new works relevant to this extraordinary time. Community leaders and special guests will offer ideas for healthy expression and ways to channel raw emotions into positive actions. We'll also honor our 2020 Mighty Joe Awardees. Then, you're invited to our DJ-led musical space to grieve, affirm, connect, hope and move, as one nation under a groove.

Celebrate Joe's Movement Emporium's 25th Anniversary with a virtual concert and conversation featuring spoken word, dance, African drumming, music and special guests such as County Executive Angela Alsobrooks.

Register for the virtual celebration [online here](#). For more information, email Brittany@joesmovement.org.

Project Hope Provides PPE to Prince George's County

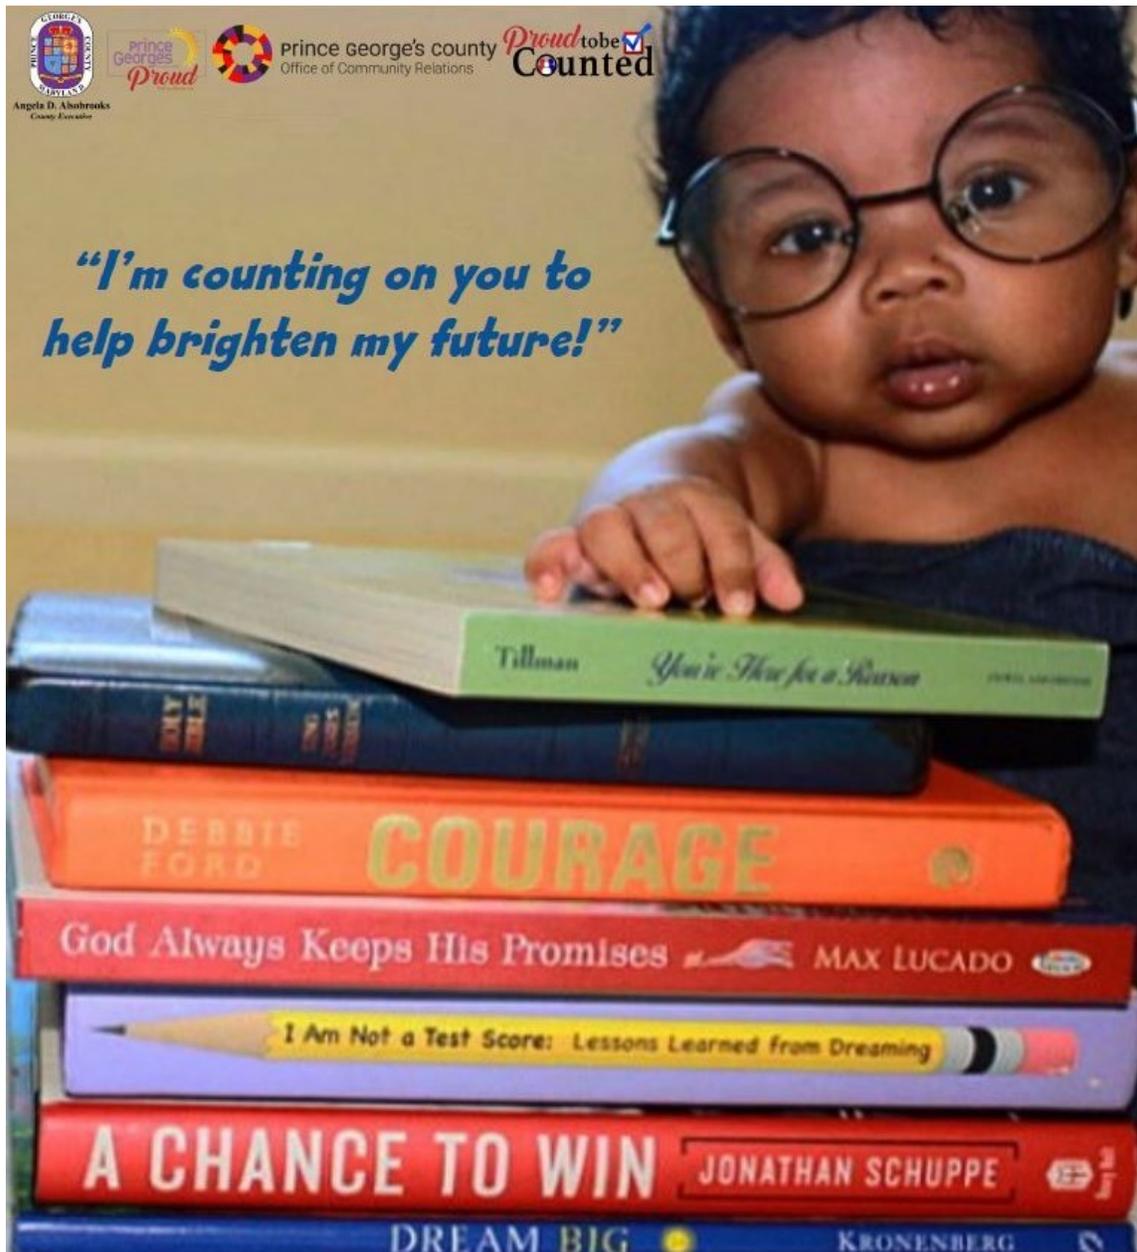

Project Hope donates a large amount of PPE to our Office of Community Relations and our Office of Emergency Management.

Project Hope provided an overwhelming donation of Personal Protective Equipment (PPE) to our COVID-19 efforts. The Office of Community Relations, in collaboration with the Office of Emergency Management, will work collectively to distribute the PPE to first responders and vulnerable community stakeholders as they work to keep our community safe. Project Hope works on the frontlines of the world's health challenges, partnering hand-in-hand with communities, health care workers and public health systems to ensure sustainable change. We are so thankful for their partnership and support of our County.

Additional Graphics & Materials

What is Contact Tracing?

WHAT IS CONTACT TRACING?

Contract tracing is a tool public health workers use to stop the spread of a disease. **HERE'S HOW IT WORKS:**

1

When someone tests positive for COVID-19, the Health Department is notified.

2

We call the person who tested positive for COVID-19 to see who else might have been exposed.

3

Once we know who else might have been exposed, we contact those people.

4

Everyone is asked to self-quarantine for at least two weeks to stop the spread of COVID-19.

If you get a call from the Prince George's County Health Department about COVID-19, take it seriously.

What we ask for:

- ✓ Where you've been for the last few days
- ✓ The names and contact information of people you've had close contact with so we can call them
- ✓ We will NOT tell them who potentially exposed them without permission

What we **DON'T** ask for:

- ✗ Social Security number
- ✗ Payment information (contact tracing is no charge to you)
- ✗ Immigration status

Free COVID-19 information and testing by appointment only: 301-883-6627
Stay updated: health.mypgc.us/coronavirus

Accepted Bulky Trash Items

Angela D. Alsobrooks
County Executive
