

**OFFICE OF THE PRINCE GEORGE'S COUNTY EXECUTIVE
ANGELA D. ALSOBROOKS**

PRESS RELEASE

For Immediate Release:

March 23, 2021

**PRINCE GEORGE'S COUNTY WILL ENTER PHASE 2A FOR COVID-19
VACCINATIONS TODAY, MARCH 23**

*County Executive Reminds Residents to Make Sure They are Pre-registered with
the County Health Department*

LARGO, MD – Prince George's County Executive Angela Alsobrooks announced today that the County will move to Phase 2A for COVID-19 vaccinations effective today, March 23. Individuals who live or work in Prince George's County that are eligible in Phase 2A, and have pre-registered with the County Health Department, will be able to receive appointments at the County's vaccination clinics. Seniors in Phase 1 will continue to be prioritized for appointments.

"I am pleased to announce that we will be moving forward with offering everyone eligible in Phase 2A the opportunity to get vaccinated against COVID-19 through our County Health Department," said Alsobrooks. "Given the increase in vaccine supply, those in Phase 2A and later phases will not have to wait as long to receive their vaccine. I am encouraging everyone to make sure you're pre-registered so you can join the growing number of Prince Georgians who are Proud to be Protected from COVID-19."

Individuals in Phase 2A include adults 60 years of age and older. To prepare for this next phase of vaccinations, individuals who live or work in Prince George's County must [pre-register](#) in order to receive a vaccine appointment with the Prince George's County Health Department. **No walk-ups are being accepted at Health Department vaccination clinics.**

Eligible individuals in Phase 1 who have not yet pre-registered with the County Health Department are still encouraged to do so at <http://bit.ly/PGCVaccineForm>. Individuals in future phases are also encouraged to pre-register at this time. When the County enters future phases of vaccine distribution, those individuals that have pre-registered will receive a notification that they are able to receive a vaccine appointment.
