Per Prince George's County Code CB-86-2006, there is a tax credit against the property tax imposed on a nonprofit swim club that uses its facility exclusively to provide a recreational outlet for a local community. The amount of the tax credit shall be the full amount of the County portion of the property tax imposed. Tax credits shall be available on an annual tax year basis.

An application for the tax credit shall be submitted to the Office of Finance – Treasury Division, no later than April 1 prior to the tax year for which the credit is being requested.

To receive credit applicant must submit current Prince George's County Health Department Permit to Operate a Public Swimming Pool/Spa by July 1.

Applicant's Signature: _____ Date: _____
