REINFORCED TURF CONSTRUCTION INSPECTION CHECKLIST

This checklist serves as a guide for permittee and DPIE Site/Road Inspector to review construction progress verify acceptance before acceptance of device.

Site/Project Name: _____ Date: ____

DESCRIPTION OF STAGE Mandatory Notification: Inspection and approval of each practice is required at these points prior to proceeding with the next step of construction. Contact the DPIE Site/Road Inspector with twenty-four (24) hours 'notice (DPIE telephone: 301-883-3820 or the interactive voice response system [IVR] at 301-755-9000). The DPIE Site/Road Inspector may waive an inspection and allow the permittee per a prior written scheduled arrangement. Work completed without DPIE approval may result in the permittee having to remove and reconstruct the unapproved work. Each of the steps listed below must be verified by either the DPIE Site/Road Inspector and/or the Permittee. 1. Contributing drainage area is stabilized.
