All deviations from the specifications must be noted in detail by the bidder, in writing, at the time of submittal of the formal bid. The absence of a written list of specification deviations at the time of submittal of the bid will hold the bidder strictly accountable to the County to the specifications as written. Any deviation from the specifications as written not previously submitted, as required by the above, will be grounds for rejection of the material and/or equipment when delivered.

This requirement is enforceable in the Circuit Court of Prince George's County, and is not intended to create a private right of action against the County. Willful violations of this requirement may also result in a contractor being suspended or debarred.

(c) Contractor shall include in each of its subcontracts: (1) a payment clause which obligates Contractor to pay the subcontractor for satisfactory performance under its subcontract within seven (7) days out of such amounts as are paid to Contractor by the County for such work performed under such contract; (2) an interest penalty clause which obligates Contractor to pay to the subcontractor in the case of each payment not made in accordance with the payment clause...
