**TO:** Prince George's County Inspectors  
Department of Permitting, Inspections & Enforcement

**FROM:** Robert Welborne, P.E., *RW*  
Electrical Engineer & Chief Electrical Inspector

**RE: Non-Removal of Equipment Covers**

Effective January 01, 2017, when performing inspections which require you to view equipment where the removal of any covers are necessary, the master electrician and/or his designee shall be present at the time of inspection to perform such task and re-secure the equipment once completed.

Prince George's County Inspectors are no longer responsible for the disassembling of any equipment in the performance of their duty.
