

**IFB 2017-7**  
**Building Demolition Services**  
**For Development of the Towne Square at Suitland Federal Center**

---

**ADDENDUM NO. 8**  
**06/20/2017**

To All Prospective Bidders:

Please note the following changes, additions, and information presented herein in connection with the above referenced project. The Prospective Bidders shall be governed accordingly and acknowledge in writing receipt of this Addendum No. 8. This addendum is hereby made part of the contract documents of which explains and/or corrects the original document.

Pursuant to this Addendum No. 8 the following is required:

Drawing S-2, Existing Roof Framing Plan, identifies within building 4670 Suitland Road at least 14 Wood Beams 20 in. Deep x 7 in. Wide spaced at 7' – 0" o.c., and spanning 40' – 6" that can be re-used on the project. Therefore, the Contractor shall mark the top of each beam, remove, store and protect from the elements as directed by the Owner. Also, the Contractor shall during demolition, identify any other reusable lumber which, shall be stored and protected from the elements at Owner's direction.

**End of Addendum No. 8**
