

RFP 2017-9

**Site Demolition & Rough Grading
Towne Square at Suitland Federal Center**

**ADDENDUM NO. 2
07/19/2017**

To All Prospective Bidders:

Please note the following changes, additions, and information presented herein in connection with the above referenced project. The Prospective Bidders shall be governed accordingly and acknowledge in writing receipt of this Addendum No. 2. This addendum is hereby made part of the contract documents of which explains and/or corrects the original document.

Responses to Questions posted as of July 17th, 2017 are as follows:

ITEM NO.	QUESTION AND RESPONSE
Question #1	With this being a mass grading project what are the required grading tolerances?
Response #1	Please refer to Specification 31200 – Earthmoving, Section 3.15 Grading.
Question #2	Will the RDA be providing survey and stakeout of the site, as-built drawings and geo-technical testing and inspections?
Response #2	No. The contractor is responsible for survey measurements and stakeout as necessary for its operations and to provide As-Builts of finished work. The contractor is responsible for geo-technical testing and inspection of its own work to confirm that specified requirements are met.
Question #3	Is there a Tree Save Plan?
Response #3	Yes. Tree Save Plan, AMT File No. 16-0341.001, dated 06-16-2017 is included with this Addendum #2 and made a part of this RFP 2017-9.
