Greetings,

The Maryland Legislative Committee would like to invite you to attend our next meeting; the information is listed below and materials are attached. We are holding our meeting in Prince George's County in January and would like to connect with our members in that jurisdiction.

The WMCCAI Maryland Legislative Committee will meet on **Thursday January 25, 2018 at 9 AM** at the Prince George's County Government Building, 1400 McCormick Drive, Suite 308, Largo, Maryland 20774.

You do not need to be a member of the committee to attend the meeting; we only ask that you are interested in the work WMCCAI and the MD Legislative Committee are doing in MD.

We hope to see you there.
