DEPARTMENT OF THE ENVIRONMENT

How green are you? Together we can help keep your County clean and green. Help us grow a culture of active environmental stewards. We want you to "Be Seen Being Green" year-round.

Let us know how you're doing with the Challenge by emailing your photo or posting it on Facebook, Instagram or Twitter with the hashtag **#BSBGinPGC**. Stewards that share them completing all five **STARRED** items get a free T-shirt and will be highlighted in our quarterly newsletter.

So, get ready, set and go Be Seen Being Green in Prince George's!
