SECTION III: SCOPE AND REQUIREMENTS

3.1 BACKGROUND/PROJECT DESCRIPTION

The Redevelopment Authority’s mission is to contribute to the creation of a diverse and vibrant economy and living environment for Prince George's County, using community building techniques and providing responsible and responsive development and redevelopment that is designed to enhance quality of life, balanced growth and job creation for diverse, sustainable communities.

Beginning in the early 2000’s, the RDA began acquiring the dilapidated and blighted properties in the Suitland Manor Subdivision, along Homer Avenue, Huron Avenue, Hudson Avenue, Lewis Avenue and Chelsea Way. The Acquisition, totaling 22 acres, was complete in 2007. The tenants were relocated and all buildings were demolished.

In late 2014, the RDA, together with its development consultant team began planning the development of a new mixed-use community anchored by the Suitland Federal Center which houses the new headquarters of U.S. Census Bureau. Working collaboratively and assembling adjacent property owners, the development team in 2015, guided the property through the entitlement process obtaining approval of the Preliminary Plan of Subdivision and the MUTC Special Permit. With adjacent property owners the total land area of the approved plans is approximately 25 +/- acres.

The vision for the Towne Square at Suitland Federal Center is to establish an active and vibrant mixed-use, pedestrian-oriented community that enhances the lifestyles of residents of the immediate and surrounding neighborhoods. Since the adoption of the Suitland Sector Plan 9 years ago, market needs have shifted. The proposed plan enhances the original intent of the Development Plan while meeting current market needs and design trends.
