Dear County Business Partner:

The County is pleased to offer your enterprise the opportunity to receive future invoice payments electronically through the Automated Clearing House (ACH) Payment System. Payments can be posted directly to your business bank account. Our Accounts Payable Section will mail a separate advice to detail the paid invoice(s) information and to confirm the transmission date so that you can update your financial records. The County reserves the right to reverse - without prior notice - any erroneous transmissions.

To qualify for this payment method, the County must have made at least five payments to your business in the prior twelve-month period or you must currently have an open purchase order or a legal contract with the County. You must also bank with a financial institution capable of processing these electronic transfers.

To enroll in this new program, please complete the enclosed Authorization for Electronic Funds Disbursement form. After processing of your form is complete (approximately 60 days after receipt), you can expect electronic payments at the designated bank until you advise us in writing to stop payments.

Keep a copy for your records and forward the original completed form to:
