PUBLIC INFORMATION MEETING ANNOUNCEMENT

The Prince George's County Department of Public Works and Transportation (DPW&T) is beginning the design process for roadway improvements along 2.4 miles of Harry S. Truman Drive from White House Road to Lottsford Road, to improve pedestrian and bicyclist safety and to provide stormwater treatment. The project will also include a new signal at the intersections at New Orchard Drive and Prince Place.

You are invited to attend a public information meeting on Monday November 25, 2019 from 6:30 p.m. to 9:00 p.m. at Phyllis E. Williams Elementary School (9601 Prince Place, Upper Marlboro, MD 20774). The public meeting will provide attendees the opportunity to learn about the project's conceptual design, the schedule, and to ask questions. Maps and displays will provide project information, and Prince George's County DPW&T staff will be available to answer questions. You may arrive at any time during the meeting hours and walk through the display area at your own pace.

Proposed Typical Sections

Please submit any comments by Friday December 13, 2019

to the Design Project Manager, Timothy Rye, P.E.
