If you have questions or concerns related to the coronavirus please follow these guidelines:

CALL 911 FOR EMERGENCIES ONLY

1. Call our hotline for concerns or questions.

2. If you have concerns about your risk of exposure to coronavirus and you have symptoms, including:
   - Fever
   - Coughing
   - Shortness of Breath
   call a health care provider to be evaluated or call our hotline for assistance.

3. Do not show up to your health care provider without calling first to discuss symptoms.
