PGPD NON-VIOLENT CRIME REPORTS

This applies primarily to property crimes where a suspect is no longer on the scene.

Starting Midnight ~ Monday, March 23rd

In an effort to allow for social distancing, the Prince George's County Police Department will begin taking specific reports over the phone rather than in-person.

1

If you need to report a crime call 911.

2

The call taker will ask for information, to include the caller's phone number.

3

Where a report needs to be written, a member of PGPD will call back and take the report over the phone.

4

Detectives will still investigate reported crimes as usual.
