Cigna is taking the following steps to help with the current health pandemic:

Waiving cost-sharing and co-pays for COVID-19 treatment and hospital admissions through May 31, 2020.

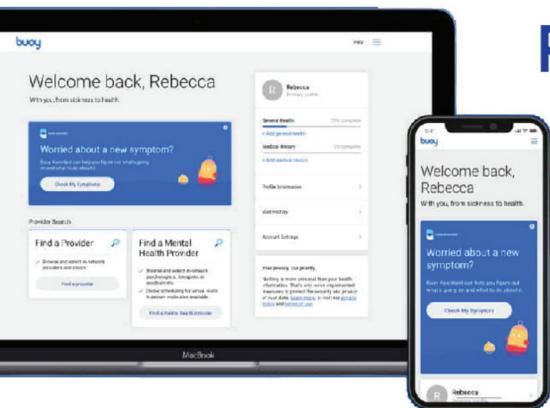

Cost-sharing services waived for COVID-19:

- Diagnostic tests
- Office visits related to testing
- Telehealth screenings

**Free 24/7 support line (1-866-912-1687)**

Available to the general public, to provide one-on-one help for people managing feelings of stress, fear and anxiety and building resiliency.

Providing a free web-based tool to assess COVID-19 risk

Cigna and Express Scripts are partnering with Buoy Health to provide a free, web-based interactive triage tool that assesses COVID-19 risk and provides guidance on next steps.

The tool will be available as early as next week on Cigna's member portal and app, [www.MyCigna.com](http://www.MyCigna.com), [www.Cigna.com](http://www.Cigna.com) and [www.ExpressScripts.com](http://www.ExpressScripts.com).

**Free home delivery for Rx Maintenance Medications**

Offering free home delivery of up to 90-day supplies through Express Scripts and 24/7 access to pharmacists.

**Medication Authorization Extension**

90-day extension for most current prior medications that will expire between April 1 and June 1, 2020.
