

Prince George's County enters Phase 2A for COVID-19 vaccine distribution on Tuesday, March 23, 2021

Phase 2A includes: Residents ages 60 and older

- Individuals who live or work in Prince George's County must pre-register in order to receive a vaccine appointment with the Prince George's County Health Department. No walk-ups are being accepted.
- Beginning Tuesday, March 23, pre-registered individuals who live or work in the County that are eligible in Phase 2A will be able to receive appointments with the County Health Department.
- Eligible individuals in Phase 1 who have not yet pre-registered with the County Health Department are still encouraged to do so.
- The County will continue to prioritize individuals in Phase 1 who have not been vaccinated yet.
