Religious Exemption – COVID-19 Vaccination

Request for Accommodation: Religious Exemption from COVID-19 Vaccination

This document is intended for use as a reference when applying for religious exemption/accommodation to the COVID-19 immunization requirements for employment with Prince George's County Government. Its purpose is to assist in establishing the basis for your request in accordance with applicable laws Philosophical, political, scientific, or sociological objections to immunization do not justify an exemption or accommodation.

In order to qualify for the exemption, employees are required to provide a written and signed statement below objecting to immunization due to sincere and genuine religious beliefs which prohibit immunization, in which case supporting documents may be required.

The statement must address all of the following elements:

- Explain in your own words why you are requesting this religious exemption.
- Describe the religious principles that guide your objection to immunization.
- Indicate whether you are opposed to all immunizations, and if not, the religious basis that prohibits COVID-19 immunizations.

I am requesting a religious exemption from Prince George's County Government's mandatory COVID-19 vaccination policy. I understand that I will be required to submit evidence (weekly or at the discretion of the County) of a negative COVID-19 test.
