

## **NOTICE: New Site/Road Plan Review Fees**

Effective January 18, 2022, DPIE will implement permit fee changes per CB-38-2021, which enacts two fees related to site/road plan approvals.

- 1) A fee will be required on a plan application that cannot be approved within four review cycles.
- 2) Another fee will be applied on deficient plans that omit road frontage improvements.
