EMPLOYMENT BACKGROUND

Penalties are provided for misrepresentation

All applicants MUST provide proof of practical hands-on experience submitted on company letterhead with specific dates of employment, signed by a Master Electrician (to include his license number) or qualified personnel, and attached as part of this application. If Master is not licensed in Prince George's County, include Master's license number and jurisdiction where licensed. If prior employment with government, attach affidavits from qualified supervisory personnel certifying years of experience in electrical work.

All Apprentice Electricians shall include a letter from a licensed Electrical Contractor or proof of enrollment in an Apprentice Electrician program.

Formal course of study or professional training may be substituted for up to two (2) years of work experience for a Master Electrician and a Limited Master Electrician. Attach copies of school records, transcripts, and diploma, and have documents signed by responsible authority to attest that you attended the school or were associated with a formal apprenticeship program named in this application.
