

Please note that the renewal of “**Food Service Facility Permit Renewals — Low, Moderate and High Priority**” is now online. Each facility has been provided a PIN # and a Facility # to create an account, renew and pay for the permit online. DPIE has paper applications available in the office for customers who cannot renew online (non-profits), customers opening new facilities or facilities that have a change of ownership. All other Food Service Facility Permits must be renewed online. Please click the following link:
