1. UNIFORM WAGE SCALE - PAY PLAN DESCRIPTION

A. Pay Plan effective July 1, 1994.

B. 15 Step Plan - Derived as follows - Step A (or Step 0-1) at Grade P-6 is three and one-half percent (3 1/2%) above the existing minimum salary for Grade P-6. Each successive step is three and one-half percent (3 1/2%) up to and including Step L. Step L to M is three percent (3%) and Steps M to N and N to O are two and one-half percent (2 1/2%).

C. Steps at Grade P-5 will be five percent (5%) less than corresponding steps at Grade P-6. The value of the intervals between the grades above grade P-6 is five percent (5%).

D. Completed years of service for purposes of this pay plan shall be determined by using an employee's date of hire as reflected on the employee's PID.

2. PLACEMENT AND MOVEMENT ON WAGE SCALE

A. Current Employees

1. General Rule - On their anniversary dates in FY95, employees will be placed on the scale at the next step above their salary and then be afforded a one step increase. After being placed on the scale, no one will receive more than a one step increase during FY95, and some employees may not receive a step increase (see Section 2.A.2 & 3, below).

2. Employees below Step A (0-1) - On their anniversary dates, employees below Step A will be placed on the scale at Step A and will advance no further during FY95.

3. Longevity Steps (Steps M, N & O) [now N, O & P] - Employees whose placement on the scale plus anniversary increase in FY95 results in their being at a step below that warranted by their years of service will have annual step increases until they are at the step which corresponds with their completed years of service. Employees who are placed on the scale during FY95 at a longevity step which exceeds their years of service or who during subsequent years achieve a longevity step which exceeds their years of completed service will not advance to the next longevity step until warranted by their completed years of service.

B. New Hires - Entry level employees hired during FY95 will be hired at Step A (0-1), and will not move to Step B (2) until their anniversary date in FY97.

C. Promotions and Demotions

1. Except as provided in paragraph 2 of this sub-section, effective July 1, 2005, upon promotion or demotion, an employee's salary will be increased or decreased, as applicable, by five percent (5%) for every grade movement. (For example, a one-grade promotion from P-05 to P-06 would be a five percent (5%) salary increase, a two-grade promotion from P-08 to P-10 would be a ten percent (10%) salary increase; or a three-grade promotion from P-10 to P-13 would be a fifteen percent (15%) promotion.)

2. Upon the adoption of the Resolution enacting this Salary Schedule, an employee who receives a voluntary demotion may, if approved by the appointing authority and Director of OHRM, continue to be paid at their current salary provided such salary is in the pay range of the new position. An employee seeking a voluntary demotion will be informed of the procedure to request such approval by the Employer. The approval of the appointing authority and/or the Director of OHRM with regard to whether an employee can continue to be paid at their current salary rate are not subject to grievance or appeal.

D. Anniversary Dates - Employees covered by this Salary Schedule and hired before July 3, 1988, will keep the anniversary dates that they held on July 3, 1988 for as long as they are continuously employed. Employees hired on or after July 3, 1988 will have as their anniversary dates the dates of their initial appointment and those anniversary dates will not be changed while those employees are continuously employed.

E. Additional Pay Steps - Effective July 1, 1995, the wage scale will be expanded to include the following steps at a rate of two and one-half percent (2 1/2%) per step:

Step O	15 [now P]	19-21 years of service (Modified, not added)
Step P	16 [now Q]	22-24 years of service
Step Q	17 [now R]	25-27 years of service
Step R	18 [now S]	28-30 years of service

Fiscal Year 1998:

During FY98, any employee who has not advanced to the step on the Uniform Wage Scale that would otherwise have been warranted by his/her completed years of service as of January 1, 1998 (minus a two year lag because of the lack of credit toward merit increases during FY96 and FY97) will be placed on that step effective the first full pay period beginning on or after January 1, 1998.

Fiscal Year 2000:

Effective July 1, 1999, the anniversary dates of employees covered by this Salary Schedule will be adjusted to the employee's date of hire if that date is different from the employee's current anniversary date.

Effective the first full pay period beginning on or after July 1, 1999, employees will be placed on the proper step of the Uniform Wage Scale for their years of service (minus two years for loss of credit during FY96 and FY97).

Effective the first full pay period beginning on or after July 1, 1999, the Uniform Wage Scale shall be modified as follows:

Step N shall be applicable after 13 years of service;
 Step O shall be applicable after 15 years of service (instead of 16 years);
 Step P shall be applicable after 17 years of service (instead of 19 years);
 Step Q shall be applicable after 19 years of service (instead of 22 years);
 Step R shall be applicable after 22 years of service (instead of 25 years);

Step S shall be applicable after 25 years of service (instead of 28 years); and a new Step T shall be applicable after 28 years of service

The interval between Steps N to O, O to P, P to Q, Q to R, and R to S shall be increased from two and one-half percent (2 1/2%) to three percent (3%) and the interval from Step S to new Step T shall be two and one-half percent (2 1/2%).

Fiscal Year 2002:

Effective July 1, 2001, the intervals between Steps M and N and N and O shall be increased from three percent (3%) to three and one-half percent (3 1/2%), and the interval between Steps S and T shall be increased from two and one-half percent (2 1/2%) to three percent (3%).

In accordance with PERB Certification Number AAA 16 390 00243 01 which includes in the PCEA bargaining unit Emergency Dispatchers, formerly represented by IAFF Local 1619, in the Office of Information Technology and Communications (OITC), currently the Office of Homeland Security (OHS). Effective July 1, 2001, said employees will be placed at the step nearest their current salary level on the P-Salary Scale as of June 30, 2001, which is higher than their salary level as of June 30, 2001. If such a step is below their proper placement on the P-Salary Scale (minus two years for the loss of credit during FY96 and FY97, as applicable), then said employees will continue to move one step annually to reach their proper placement on the P-Salary Scale. In addition to the salary placement described above, said former B-scale employees will receive an additional lump sum payment of one thousand three hundred fifty dollars (\$1,350.00) per year to be paid annually on the first full pay period in July of each year. The purpose of such \$1,350.00 payment is to compensate the employees involved for clothing allowance and EMT Pay, which is no longer part of their compensation. It is intended that such lump sum payments ("Equity Adjustment") shall be a continuing part of the compensation of such employee, and shall be included in the "Average Annual Compensation" of such employees for the purpose of pension calculations for those employees. The annual payments of \$1,350.00 will cease when the employee leaves the PCEA P-Salary Scale.

Fiscal Year 2003:

Effective July 1, 2002, the wage scale (with all steps) will be expanded to the grade of P-24. Each new Grade will be five percent (5%) more than the next previous grade (i.e. G21-G22-G23-G24).

In accordance with PERB Certification Number AAA 16 390 00248 01, former G-Scale employees will be placed effective June 30, 2002 on the P-Scale at the same salary grade they held as of June 30, 2002, at the nearest salary level on the P-Scale as of June 30, 2002 which is higher than their G-Scale salary level as of June 30, 2002. These employees will retroactively receive the same cost of living increase in FY03 as received by P-Scale employees, and will receive retroactively any applicable merit increase they would be eligible for in said Fiscal Year.

Movement on the P-Scale will be as follows:

1. Employees below G-Max who are placed on the P-Scale at their grade as of June 30, 2002, at the nearest salary level on the P-Scale which is higher than their salary level as of June 30, 2002, and above their years of service (minus up to two years for suspension of merit steps

during FY96 and FY97, as applicable), will advance towards Step L on a yearly basis and then will be frozen at Step L until they reach their appropriate years of service.

2. Employees currently below G-Max who are placed on the P-Scale at their grade as of June 30, 2002, at the nearest salary level on the P-Scale which is higher than their salary level as of June 30, 2002, but at a lower step in accordance with their years of service (minus up to two years for suspension of merit steps during FY96 and FY97, as applicable), will continue receiving annual merit increases and move on the P-Scale until they reach their appropriate years of service.

3. Employees currently at G-Max who are placed on the P-Scale at their grade as of June 30, 2002, and at Step L who are above their years of service (minus up to two years for suspension of merit steps during FY96 and FY97, as applicable), will be frozen at Step L until they reach their appropriate years of service.

4. Employees currently at G-Max who are placed on the P-Scale at their grade as of June 30, 2002, and at Step L who are below their years of service (minus up to two years for suspension of merit steps in FY96 and FY97, as applicable), will continue receiving annual merit increases and move on the P-Scale until they reach their appropriate years of service.

Fiscal Year 2004:

Effective July 1, 2003, employees hired above the starting salary on the wage scale will be informed in writing whether they will be frozen on the wage scale for any specified period of time. Such employees shall sign an acknowledgement that they have been informed of their future movement on the wage scale. Nothing in this subsection shall be construed to deny such employee any movement on the pay scale to which that employee would otherwise be entitled under the agreement.

Fiscal Year 2006:

Effective July 1, 2005, the May 1, 2005 wage scale will be converted from steps to a Min-Max system. The May 1, 2005 wage scale will be used with grades P05 through P24 Step A as the new Min rate and Step T as the new Max rate. Two new grades P25 and P26 will be added to the new Min-Max scale. Each new grade will be five percent (5%) more than the next previous grade. An employee will be eligible to advance to the next step for his/her grade on his/her anniversary date at the rate of one (1) three and one-half percent (3 1/2%) step per year provided that he/she receives a satisfactory performance evaluation for the preceding year.

The workweek is the seven (7) consecutive day period commencing with the first shift on Sunday, and ending the last shift on the following Saturday. The standard number of hours in a workweek shall be forty (40) hours. Although full-time employees assigned to shift work may not work exactly forty (40) hours in a workweek, the number of hours in the workweek of employees on rotating shifts shall average forty (40) hours a week over the year.

9. REST PERIOD

Upon approval of the employee's supervisor, consistent with operational necessity, employees covered by this Agreement who are assigned to work twelve (12) hour shifts shall be entitled to one (1) twenty-five (25) minute break per shift in addition to their regular meal period. Employees assigned to work twelve (12) hour shifts shall also be entitled to an additional fifteen (15) minute break that may only be taken after completion of the scheduled meal period and after completion of the scheduled twenty-five (25) minute break.

Upon approval of the employee's supervisor, consistent with operational necessity, employees covered by this Agreement who are assigned to work ten (10) hour shifts shall be entitled to one (1) twenty (20) minute break per shift in addition to their regular meal period. Employees assigned to work ten (10) hour shifts shall also be entitled to an additional ten (10) minute paid break period that may only be taken after completion of the scheduled meal period and after completion of the scheduled twenty (20) minute break.

Upon approval of the employee's supervisor, consistent with operational necessity, employees covered by this Agreement who are assigned to work eight (8) hour shifts shall be entitled to one (1) fifteen (15) minute break per shift in addition to their regular meal period.

The Employer will make all reasonable efforts to make sure that employees are permitted to take their breaks.

10. MEAL PERIOD

Employees covered by this Salary Schedule who work through their regular unpaid meal period (one-half (1/2) hour for eight (8) and ten (10) hour shifts; forty-five (45) minutes for a twelve (12) hour shift) at the direction of Management are entitled to be paid for the meal period worked pursuant to Section 9.A., Overtime Pay.

11. PAY IN EXCESS OF BASE SALARY

A. Overtime Pay

1. Any employee who is in a paid status in excess of forty (40) hours in a workweek will receive pay at the rate of one and one-half (1 1/2) times his/her regular rate for each overtime hour or ten-minute fraction thereof worked. At the option of the employee and with the approval of the County (which will not be unreasonably withheld), an employee eligible for compensatory time

under applicable law may elect to receive compensatory leave at the rate of one and one-half (1 1/2) hours for each overtime hour worked.

2. Overtime shall be available to anyone within the division who is qualified in that class of work, including civilian supervisors covered by this Salary Schedule. The Department will, when possible, offer PCEA bargaining unit members overtime work assignments to PCEA bargaining unit personnel before offering that work to non-PCEA bargaining unit employees. Such overtime shall, when possible, be offered to PCEA unit employees in the same division before offering to other PCEA unit employees.

3. Any Fair Labor Standards Act (FLSA) compensatory time that is earned and exceeds the two hundred forty (240) hour maximum carryover, will be paid in a timely fashion.

B. Call Back Pay

1. Any employee who is called back to work from off-duty, and who does in fact perform duties on behalf of the Prince George's County Police Department, DoE or Office of Homeland Security, as applicable, during his/her normal off-duty hours, shall be paid for a minimum of four (4) hours at one and one-half (1 1/2) times his/her regular rate of pay beginning at the time the employee was contacted. This provision shall not apply to disciplinary procedures.

With regard to employees who are receiving acting pay in excess of this amount as of May 1, 2005, the following agreement applies: Employees who were in an acting capacity receiving acting pay as of May 1, 2005, will continue to receive the same percentage of acting as they were receiving as of said date, until relieved of the acting detail of said position. The employer will not replace the employee receiving acting pay with another employee for the purpose of reducing the amount of acting pay. An employee shall begin to receive payment for such service within sixty (60) days after the date the employee becomes eligible for acting pay.

Employees who are on standby (and thus entitled to the 12.5% standby compensation) shall receive notification of when they will be on standby a minimum of twenty-one (21) days in advance. However, the parties also recognize that under emergency situations or unexpected circumstances, twenty-one (21) days' notice will not be provided.

For each hour beyond the first three (3) hours that an employee is required to attend court proceedings, the employee shall be paid at the overtime rate.

2. In determining the number of hours beyond three (3) that an employee is entitled to, the clock shall begin to run when the employee is first required by subpoena or otherwise to attend court and shall continue without interruption throughout the day until the end of the last court appearance of the employee that day.

Effective January 1, 2024, the payment will increase to five dollars (\$5.00) per hour.

The County, with the participation of the PCEA, will develop certification procedures to provide training and ensure employee dispatch proficiency in the required 9-1-1, law enforcement dispatch and Fire/EMS dispatch skill sets. An employee who successfully completes the certification process in all three areas will be certified as a Cross Trained Emergency Dispatcher and will be assigned to perform all related dispatch functions as part of his/her job duties, regardless of the assigned area of responsibility.

Each Certified Cross Trained Emergency Dispatcher must (i) retain all required certifications, (ii) attend required training classes related to 9-1-1, Law Enforcement Dispatch and Fire/EMS Dispatch; (iii) satisfactorily perform a documented minimum of twelve (12) hours of Fire/EMS Dispatcher duties per month; and (iv) satisfactorily perform a documented minimum of twelve (12) hours of Law Enforcement Dispatcher duties per month. To retain certification pay, Certified Cross Trained Emergency Dispatchers shall meet the above criteria and undergo annual recertification processes consistent with the process in effect in FY 2021, provided that no unscheduled overtime costs shall be incurred as a result. Failure to satisfy all of these requirements will result in a loss of Certified Cross Trained Emergency Dispatcher status and pay. Emergency Dispatchers and Certified Cross Trained Emergency Dispatchers shall be provided advanced notice of all required training classes sufficient to enable attendance, and Emergency Dispatchers shall be provided a reasonable opportunity to complete the required

certification procedures and requirements during their regularly assigned shifts in a TDY status.

J. Holiday Pay

1. Holidays and Holiday Compensation

a. The Personnel Law establishes the regular holidays for County employees including those employees covered by this Salary Schedule except that an additional holiday, entitled "Police Memorial Day," will be recognized and observed on May 15 of each year as a County holiday for employees covered by this Salary Schedule. Those holidays established by the Personnel Law are listed for convenient reference:

New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Juneteenth Day, Independence Day, Labor Day, Native American Day, Veterans Day, Thanksgiving Day, Christmas Day, Presidential Inauguration Day (every 4 years), and County Employee's Appreciation Day.

b. Eligible employees shall receive a day's pay for each of the designated holidays on which they perform no work.

c. Employees who work on a holiday that falls on their scheduled workday shall be paid at two (2) times their regular rate of pay for each hour worked (except overtime). Subject to the approval of the Office of Homeland Security and/or the Police Department, an employee can elect to receive compensatory leave at up to a double time rate in lieu of pay for hours actually worked on a holiday. (For example, one (1) hour of straight time pay plus one (1) hour compensatory leave for each hour worked on a holiday). Any overtime performed by an employee on a holiday in addition to their scheduled work hours shall be compensated in accordance with the employee's regular overtime rate (i.e., no pyramiding). An employee who works an overtime shift on a holiday that falls on the employee's regular day off, shall be compensated at one and one-half (1.5) times his or her regular rate and shall still be awarded compensatory leave as provided for in subparagraph G.1.d.

d. If a holiday falls on an employee's regular day off, the employee shall earn compensatory leave equal to the number of hours in their scheduled workday so that the compensatory time can be used to take another day off.

2. Holiday Work Scheduling

a. Bargaining unit members assigned to work shift work are entitled to the opportunity

to work all holidays on which they are normally scheduled to work, and will be paid for those holidays actually worked pursuant to the provisions of subparagraph G.1. of this Section.

b. Bargaining unit members assigned to permanent day work positions are entitled to the opportunity to work at least six (6) holidays during each fiscal year, with managerial discretion to assign employees to work up to an additional two (2) for a total of eight (8) holidays each fiscal year, and will be paid for those holidays actually worked pursuant to the provisions of this paragraph G. The determination as to which observed holidays bargaining unit members covered by this subparagraph G.2.b. are actually scheduled to work will be determined by the Department, consistent with operational needs.

3. Holiday Observance

Whenever New Year's Day, Police Memorial Day, Independence Day, Veteran's Day or Christmas Day falls on a weekend and is celebrated by the County on the preceding Friday or following Monday, employees who work either on the day the holiday falls or on the day it is celebrated shall be treated as working on a holiday for purposes of subparagraph G. above. Employees who work both the day the holiday falls on and the day it is celebrated shall be entitled to subparagraph G. benefits only as to the first such scheduled day to work.

4. Emergency Closings

a. When the County Executive closes the County offices for an entire day or any portion thereof, because of extreme inclement weather, other emergencies producing hazardous conditions, or for any other reason, essential employees covered by this Salary Schedule will report to their established work sites and will be paid straight-time wages for hours worked on their regular work shifts. In addition, such employees, who work their full regularly scheduled shift during the twenty-four (24) hour period beginning at 6:00 a.m. of the day of the full or partial closing shall be entitled to the number of hours of compensatory leave (not to exceed twelve (12) hours per employee per twenty-four (24) hour period) equal to the number of hours of administrative leave granted to non-essential County employees. For purposes of this subsection, the County workday will be considered ended at 4:30 p.m.

b. If the employee is directed by the Employer to work any number of hours over and above the employee's regularly scheduled work shift during the aforementioned twenty-four (24) hour period, the employee shall not be entitled to any additional grant of compensatory leave by virtue of the full or partial closing. Rather, the appropriate premium rate, if any, shall apply to such hours.
