

Prince George's County
Department of Permitting, Inspections
and Enforcement

DPIE Is Launching a New System for Permit Applications!

The anticipated date for the launch is Monday, March 13, 2023. If the date changes, you will be notified in early February. To prevent any delay in applying for a permit when the system goes live, we encourage you to create your Momentum account by Tuesday, January 31, 2023.

Please Note:

To successfully transition from the old system to the new system, you will not be able to submit a permit application or receive a permit from March 2 through March 12, so please plan accordingly.

If you already have a Momentum account, you do NOT need to create another account. This does not apply to permits for the Department of the Environment (DoE). Regarding permits for DoE, you do not need to create a Momentum account.

To create an account, use the same email address you used for ePermits. An email will be sent to activate your account. The email will come from **Momentum.Notifications**. If you do not see the activation email, check your spam/junk folder. You must click on the link and log into the account to complete the activation process, or your account will not be created.

To create an account, go to **[Momentum to register:](https://momentum.princegeorgescountymd.gov/register)**
<https://momentum.princegeorgescountymd.gov/register>

If you need assistance with creating an account, review the guide at:
<https://www.princegeorgescountymd.gov/DocumentCenter/View/32548/Profile-User-Manual-PDF>
or email DPIECustomer2@co.pg.md.us with any questions.
