DEPARTMENT**  
Prince George's County

# HEALTH SERVICES FOR YOU

**If you live in Prince George's County, Maryland, our health services are for you!**

Your County Health Department is here to help protect you from injury, disease and disability by assuring that you have access to quality health care.

Our staff is equipped to provide you with an array of specialized services—from immunizations to health insurance. We educate individuals and communities about disease prevention and assure that public facilities are safer through inspection, licensing and complaint investigations.

We encourage you to take charge of your health; to adopt a healthier lifestyle by educating yourself about healthy behaviors, getting routine screenings, and seeking help when you need it.

**Keep this directory handy for reference, and take special note of emergency public health phone numbers.**

If you need help or have any questions, just give us a call. We care about you!

PROTECTING AND IMPROVING THE HEALTH OF OUR COMMUNITY

The Prince George's County Health Department, by law and/or policy, does not permit discrimination in the delivery of services and employment on the basis of handicapped status, race, color or national origin; additionally, discrimination in any phase of employment practices, policies and procedures on the basis of religion, age, sex or political affiliation is prohibited. This encompasses all facilities and programs directly operated by Prince George's County Health Department, grant-in-aid programs, providers of health services receiving Federal funds through Prince George's County Health Department, contractors and subcontractors.
