

# NEED SHOTS FOR SCHOOL?

## REGISTER NOW FOR FREE CLINICS!

PGCPS is hosting FREE immunizations clinics at school-based wellness centers for families to get their students the required shots to attend school. COVID-19 vaccinations are available only for adult residents and children 6 months to 18 years of age who have back-to-school immunizations appointments at these clinics. These services are offered in collaboration with the Prince George's County Health Department and the Maryland Partnership for Prevention.

### JULY CLINIC SCHEDULE
