Dear **Sample A. Sample**,

Make the best time of the year even better with ultrafast Fios® Internet, TV and Phone at great low pricing online. Order now with a two-year agreement and you'll receive a **\$250 Verizon Wireless Gift Card.*** Use it online or in-store for smartphones and accessories, and even to pay your Verizon Wireless bill.

Fios is committed to being your local provider. In the coming months, we'll be expanding our services and making long-term investments in New York to bring the latest innovations here first. Fios Internet offers upload speeds as fast as download speeds, so you can stream movies, download games and send holiday greetings all at the same time.

With Fios Custom TV, you only pay for the types of channels you want, not the ones you don't. Plus, you'll have access to 170,000+ On Demand programs.^

And while the holidays can be hectic, switching is easy. Choose your installation date and a highly trained local technician will set you up and even connect your devices to your new Wi-Fi.

So stay connected for the holidays with an amazing deal that you can enjoy all year long. Fios is more than an internet and TV provider in New York. We're a neighbor.

Sincerely,

Anne E. Hogan
Executive Director, Fios Marketing
