Questions and Request for Information

Question 1

1. Will a space be available for contractor to stage materials?

HAPGC RESPONSE:

The Housing Authority will provide contractor access to an off-line apartment unit for the staging of materials. The unit will also be used to store the HA provided materials as well. The appliance and kitchen Cabinet deliveries will be coordinated with construction schedule.

2. Where can we place a Dumpster?

HAPGC RESPONSE:

The Housing Authority will permit contractor to place dumpster in as designated parking space on the property. This location will be in addition to the contractor provided on-site storage unit location required for the storage of the resident's belongings and property.

Note: The contractor provided storage units required for the storage of the resident's belongings is to remain on the Property at all times.
