Animal Services Facility
3750 Brown Station Road
Upper Marlboro, Maryland 20772

Animal Health Technician

The Prince George's County Animal Management Division is seeking an Animal Health Technician to care for animals at our high volume, open admission shelter.

The Animal Health Technician monitors the health of the animals; performs heartworm, leukemia and fecal tests; administers medication; performs humane euthanasia; assists the veterinarian; and cleans animal cages and furnishings. Applicants must be detail-oriented and able to follow supervisor's directives closely and carefully.

Minimum Qualifications: Must have a high school diploma or equivalent. Good communication and customer service skills a must. Basic computer skills needed. Must be Maryland certified in euthanasia or qualify to become certified in euthanasia.

Preferred Qualifications: Veterinary technician experience preferred. Knowledge of and experience in handling domestic and wild animals preferred. Experience in Chameleon software a plus.

Applications may be obtained online at www.princegeorgespets4us.com. Please fax your application and resume to the Animal Management Division at (301) 780-7257. You may also mail or drop off your application and resume at the following address:
