

NOTICE: Building Code Changes

Effective January 2021, DPIE will implement Building Code changes in conjunction with the 2018 editions of the International Codes for Building, Mechanical, Energy Conservation, Existing Building, Swimming Pool and Spa, and Residential Codes for One- and Two-Family Dwellings associated with County Subtitle 4 (Building).

There will be a transition period of six months from the date of final adoption when the requirements of new codes become mandatory.

All single family and town house plans-on-file (POF) submitted on or after July 2021 will be required to comply with the new codes as referenced.
