

RESPONSIBILITIES: Responsibilities shall be as follows:

1. All DER Code Enforcement Supervisors: a copy of this Fire Protection Bulletin shall be disseminated to all code enforcement personnel in accordance with Fire Protection Bulletin F97-01.
2. DER Engineering and Plans Review Section personnel: plans which contain AST shall be approved with adequate detail to reflect the previously mentioned conditions and shall comply with Section 11-271 of the Subtitle 11, Fire Safety Code.
3. DER Inspections and Code Compliance personnel: any inspections of AST shall be in accordance with the applicable codes. No additional variance will be required.

Jack L. Hui, P.E.
Acting Fire Code Official
Engineering & Plans Review Section
Permits and Review Division
