

First Aid, CPR and AED Course

This comprehensive course is taught in a dynamic, hands-on way with industry-leading curriculum and content. Participants will learn to:

- Recognize a medical emergency
- Handle breathing and cardiac emergencies
- Act appropriately and effectively and sustain life until professional help arrives
- Identify and care for bleeding, sudden illness and injuries
- Perform CPR and operate an AED

Students will receive a comprehensive workbook containing step-by-step photo sequences, illustrations and skills presentations, course DVD featuring real-life scenarios and CPR demonstrations. At the conclusion of the course, students will receive a nationally recognized course completion card.
