Capital Bikeshare is now available in Prince George's County!

Prince George's County launched Capital Bikeshare in June 2018 and has plans to add locations throughout the County in the future.

In addition to the six locations in Prince George's County, there are more than 500+ stations across the Washington, DC, metro area including stations in Montgomery County, the District of Columbia, Arlington, Alexandria, Fairfax, and coming soon, the City of Falls Church. Visit the Capital Bikeshare [map](https://secure.capitalbikeshare.com/map/) <https://secure.capitalbikeshare.com/map/> to learn more about the station locations.

As part of the County's Health and Wellness Program, the County is pleased to offer our employees a discounted Capital Bikeshare annual membership of \$25, which is a savings of \$60. Capital bikeshare annual members enjoy free, unlimited trips that are under 60 minutes using a Capital bikeshare bicycle. Each additional 30 minutes incurs usage fees and County employees are responsible for all their own usage fees. You can read more here <https://www.capitalbikeshare.com/pricing/single-trip>

As a Capital Bikeshare annual member, you can take a bicycle from any station across the Washington, DC, metro area and return it to any station near your destination. When you join you have access to their fleet of bikes 24 hours a day, 365 days a year. Capital Bikeshare offers a convenient alternative to driving and provides a healthy option for lunch runs and errands.

To sign-up for a Capital Bikeshare annual membership simply go to [www.capitalbikeshare.com](http://www.capitalbikeshare.com) and click on "Join" and "I'm eligible for a Group Rate" and enter the code PGCUI. Then follow the instructions to complete the online application form.
