

COMMUNITY PARTNERS' MEETING

APRIL 7, 2022 9am

WELCOME

Andrea Crooms

Director

DEPARTMENT OF THE ENVIRONMENT

Floyd Holt

Deputy Chief Administrative Officer for Government
Infrastructure, Technology and Environmental Services

OFFICE OF THE COUNTY EXECUTIVE

FY23 Agency Priority Highlights

A Time of Rising Opportunity

- **Residential Resilience**
 - Increasing uptake of Raincheck Rebate, continuing to implement projects to resolve flooding issues, increasing uptake of sustainable energy programs, improving recycling, reuse, and composting adoption, ensuring residents have the knowledge and tools to care for their pets.
- **Community Resilience**
 - Increasing tree planting, piloting community-wide raincheck programs, developing climate plan implementation strategies, flooding protection, watershed studies, electrification, and local energy planning, improved waste services, increase community cleanups, increase illegal dumping education, surveillance and prosecution, litter reduction, ongoing stormwater management, and water quality CIP projects, improved animal control services.
- **Departmental Structures**
 - Animal Services Reorganization & Increased Partnerships
 - Investment in Resource Recovery Facilities & Staff
 - Integrating Sustainable Energy into Sustainability
 - Community Engagement and Outreach
 - Staffing - adapting to a long-term hybrid structure, investing in current staff, and building a bench
 - Increasing Grant Dollars as a percentage of budget

New Roles in the Office of the Director

- **Michelle Russell – Deputy Director for Administration & Community Empowerment**
- **Adding a New Deputy Director Position – Infrastructure & Compliance**
- **Chief Rodney Taylor transitions to work on Community Partnerships.**
- **Tiaa Rutherford has been detailed to the Director's Office - in her role as County Litter Czar.**

COMMUNITY RESILIENCE AND INFRASTRUCTURE

Prince George's Proud means investing in infrastructure and long-term value, clean water, transforming land use, creating resilience hubs, and making green space and multi-modal transportation available.

RESIDENTIAL RESILIENCE

Protecting our homes from Climate Impacts- flooding, extreme heat and lowering our energy costs, and ensuring waste management collection and disposal services for the future

GREEN ECONOMIC DEVELOPMENT

Building the right policy environment and developing and retaining the workforce of the future to access the benefits of the green economy

PEOPLE AND STRUCTURES

Growing and supporting our staff, and building a bridge to the future

Litter and Illegal Dumping

Illegal Dumping

- Doubling down on enforcement- Economic Crime
- High Quality Cameras
- Bulky Trash and Pilot Recycling Programs

Littering

- Doubling down on community education and personal responsibility- Personal Choice
- Increase in Big Belly/Receptacle Deployment
- Increase in community led cleanups

ANIMAL SERVICES

The adoption of homeless pets into new homes is a top priority for DoE.

If you are thinking about adding a new pet to your family, DoE asks you to adopt before you shop.

ANIMAL SERVICES FACILITY

Take the pledge to clean up after your pet and scoop that poop.

CHANGES IN THE ANIMAL SERVICES DIVISION

New Structure to empower leaders to move us to the next level

NEW - Deputy Associate Director for Community Relations and Shelter Operations
Additional re-scoped positions to support the operation of the facility and community engagement

Deputy Associate Director for Animal Control
Terri Littlejohn

SPAY/NEUTER GRANT

through the Maryland Department of Agriculture (MDA)

SPAY TODAY

FREE Spay/Neuter Surgeries

"for pets of County residents in low-income communities"

For more information and to find out whether you qualify, contact:
Catherine Hernandez at (301) 780-7252

www.princegeorgespets4us.com

*funded by a grant from the Maryland Department of Agriculture

DEPARTMENT OF THE ENVIRONMENT
PRINCE GEORGE'S COUNTY
MARYLAND DEPARTMENT OF AGRICULTURE
animal services DIVISION

- In an effort to reduce the issue of pet overpopulation PGCASD has successfully obtained grants from MDA to provide spay and neuter services for cats and dogs at no cost to low-income County residents.
- To date, more than 1,000 pets have been spayed and neutered through these grants, at no cost to the pet owners. In cases where rabies vaccination is not up to date that service is provided at no additional cost to recipients of the grant.
- For more information and to find out whether you qualify, please contact **(301) 780-7252**.

KEEP THE LITTERS AWAY

FOSTER PROGRAM

REASONS TO BECOME A FOSTER PARENT:

- For anyone who may not be able to commit to owning a pet for 10-15 years, fostering allows you to care for an animal on a short-term basis.
- You are helping to save an animal's life.
- Foster animals provide companionship, a sense of purpose and fulfillment, and fun!
- You are creating space in the shelter to accommodate other homeless animals.
- For more information on our foster program, please contact **Marilyn Perez, Foster Coordinator, at (301) 780-7202.**

STORMWATER MANAGEMENT

Jeff DeHan

Associate Director

Help DoE reduce water pollution and clean local waterways by “greening” the environment around your home, business and community.

Install permeable pavement to filter rain water.

Use a rain barrel to collect rain water.

Build a Rain Garden.

Clean Water Program

Building a cleaner, healthier, and more beautiful County

Achieved Thru:

- Capital Improvement Projects
- Clean Water Partnership
- Initiation of new or revised policies
- Promotion of emerging technologies
- Multi-Jurisdictional Involvement Anacostia Restoration

Stormwater Management Division Mission Priorities

- Clean Water Act/NPDES MS4 Permit/WIP II
- Watershed Restoration / Urban Retrofit Program
- Rain Check Program
 - Rain Check Rebates, Alternative Compliance, Stormwater Stewardship Grants
- Investigation, Inspection, and Enforcement
- Pollution Prevention Planning Guidance for County Facilities
- Assisting Municipalities with Pollution Prevention and Good Housekeeping

RAIN CHECK REBATE PROGRAM

Prince George's County residents, businesses, and non-profits can apply for **cash rebates** by adopting **stormwater management practices** that improve the quality of the County's waterways while beautifying our communities.

Rain Barrel

Cistern

Urban Tree Canopy

Rain Garden

Pavement Removal

Permeable Pavement

Green Roof

What is New?

- Rebate max now \$6000
- Eliminated language preventing municipal residents from receiving a full rebate

Rain Check Rebate Link

DEPARTMENT OF ENVIRONMENTAL RESOURCES
check

**SLOW IT DOWN.
SPREAD IT OUT.
SOAK IT IN.**

The Prince George's County **Stormwater Stewardship Grant Program** funds on-the-ground restoration activities that improve neighborhoods, improve water quality, and engage County residents in the restoration and protection of the local rivers and streams of Prince George's County.

Who can apply: Non-profit organizations, municipalities, watershed organizations, education institutions, community associations, faith-based organizations, civic groups, and more.

For more information, visit the Chesapeake Bay Trust's website at www.cbtrust.org/grants/prince-georges-stormwater-stewardship-2.

SUSTAINABILITY

Dawn Hawkins-Nixon

Associate Director

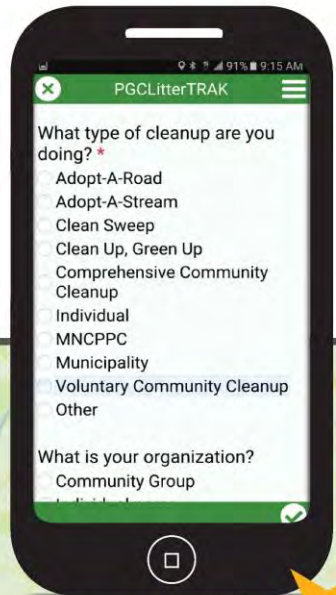

Volunteer to participate in a Community Clean Up.

Help keep Prince George's County green, clean and beautiful by reducing litter in County neighborhoods and communities.

LEARN HOW TO USE... PGCLitterTRAK

PARTICIPATING IN A SPRING CLEANUP OF A STREAM, SCHOOL YARD, NEIGHBORHOOD, PARK OR WALKING TRAIL?

Before heading out, join us at a special learning session for PGCLitterTRAK. This easy-to-use smartphone app can be used by businesses, community groups and individual citizens to report their litter collection efforts, amount of trash collected and collection locations.

Participants **must have a username and password prior to training.** Sign up at: bit.ly/littertrakregistration

PGCLitterTRAK requires a username and password, which is available by registration only.

Climate Impacts Are Already Here

2021, A Summer of Floods

Our County is Experiencing More Frequent and More Intense Events

“Prince Georgians are ready to tackle climate change, together.”

Prince George’s County is Taking Climate Action

“ I am Prince George’s Proud to say that because of the efforts of the Climate Action Commission, we have numerous tools to protect our community from the impacts of a changing climate, and lead the transition to a carbon-neutral, resilient, and climate-ready future.

With the release of this report, I have tasked the Department of Environment, working in concert with leaders across County government, to integrate climate action and resiliency planning across our government portfolio, enabling our County to better deliver services and make a difference in the lives of all our residents. “

A handwritten signature in blue ink that reads "Angela Alsobrooks". The signature is fluid and cursive.

ANGELA ALSOBROOKS
Prince George’s County Executive

RESOURCE RECOVERY

Marilyn Naumann

Associate Director

Your yard trimmings and food scraps are providing FREE mulch for County residents, and LeafGro and LeafGro Gold compost.

Use brown paper bags for your yard trimmings and avoid putting plastic bags in your recycling toter.

What is ?

CLEAR the CURB

Did you know Prince George's County has five curbside waste collection services under its Clear the Curb collection programs that modernize and streamline services to the more than 175,000 households? For residents receiving County services, these programs include regular trash, recycling, and yard trim collection, along with expansion of countywide food scraps composting and the new, improved bulky trash collections!

MONDAY COLLECTIONS

NEW!

FOOD SCRAPS COMPOSTING

County residents can now opt in to curbside composting by February 20, 2022. Food and food-soiled items will be collected and composted with yard trim items on Mondays to produce a nutrient-rich soil amendment product called Leafgro Gold®. Participants receive a green, wheeled toter to collect their yard trim and food scraps and a countertop kitchen container to keep food scraps separate. *NO plastic bags* Join the Food Scraps Curbside Collection Program and learn more at mypgc.us/compost.

YARD TRIM COLLECTION

Yard trim is collected year-round on Monday only and includes grass clippings, leaves, small branches, brush, Christmas trees, and now, food scraps. Place yard trim in paper bags or a personal container marked for collection. If you sign up for the new Curbside Food Scraps Collection, you'll be able to add yard trim to your food scraps container. *NO plastic bags*

YOUR REGULAR COLLECTION DAY

NEW!

BULKY TRASH

Starting February 14, if you receive County trash and recycling services, you can now put up to two (2) bulky items or two (2) bags of smaller household items, tightly secured at the curb NEXT to your trash container, with no appointment needed! Some items, such as refrigerators, air conditioners and tires will still need to be scheduled through PGC311. This new and improved way of handling bulky trash will cut down on wait times and eliminate the temptation to dump illegally.

REGULAR TRASH

Weekly regular trash collection is provided to residential single-family homes and townhomes, eligible to receive County-contracted services. Trash is collected curbside between the hours of 6 a.m. to 8 p.m.

RESIDENTIAL RECYCLING

Weekly single-stream residential collection allows residents to place all of their acceptable recycling materials loosely in one container without having to sort or separate. It's that easy! When you recycle more, you trash less, helping to keep valuable items out of the Landfill, reduce greenhouse emissions and protect the environment.

Other self-service and drop-off residential waste services, and commercial/business collection programs offered by the County include:

- Brown Station Road Sanitary Landfill
- Household Hazardous Waste Acceptance Site
- Electronics Recycling Acceptance Site
- Scrap tire and Appliance Disposal
- Brown Station Road Drop-off Convenience Center
- Materials Recycling Facility
- Organics Composting Facility
- Missouri Avenue Drop-off Solid Waste Acceptance and Recycling Center

Want more information about YOUR County's Clear the Curb Waste Collection Programs? Visit mypgc.us/clearthecurb for more details or contact PGC311.

Let's Clear the Curb to help keep Prince George's County clean, healthy, and sustainable.

Angela D. Alsobrooks
County Executive

CURBSIDE BULKY TRASH COLLECTION

ACCEPTABLE ITEMS

Doors and cabinets

Hot water heaters and push lawn mowers (Remove the gas tank and drain the oil from lawnmowers)

Mattresses and box springs (must be covered in protective plastic encasement)

Furniture: such as sofas, coffee tables, bed head/footboards, dressers, tables, chairs, etc.

Carpet and padding (Limit of carpet and padding is 324 sq. ft. - rolled and tied on ends)

Two (2) large bags of smaller household items*

*No more than two (2) large bags of smaller household items such as knick-knacks, home décor, small kitchen appliances (i.e., toaster ovens, toasters, blenders, air fryers, crock pots) can be set out instead of two regular bulky items. The two (2) large bags count as the two (2) maximum bulky items that can be set out on trash collection day.

To learn more about the faster and improved curbside bulky trash collection pickup and to view a list of acceptable vs. non-acceptable items, visit mypgc.us/clearthecurb

REMEMBER!

PLACE YOUR TWO (2)
BULKY ITEMS DIRECTLY
NEXT TO YOUR TRASH
TOTER TO ENSURE PICK UP

For more information, visit mypgc.us/clearthecurb

BULKY TRASH COLLECTION REMINDERS

Residents will still need to schedule appointments for all **white goods (appliances) and scrap tires** online or via PGC311.

WHITE GOODS (APPLIANCES) & SCRAP TIRES

SCHEDULED PICKUP

REMEMBER!

REMODELING AND CONSTRUCTION DEBRIS ARE NOT ACCEPTED FOR CURBSIDE BULKY TRASH PICKUP.

REMEMBER!

MATTRESSES AND BOX SPRINGS PLACED CURBSIDE FOR BULKY PICKUP **MUST BE IN A PLASTIC ENCASEMENT**

NEW PROGRAMS IN OUR COMMUNITIES

- Bulky Trash Improvements
- Food Scrap Collection
- Additional Dumpster Day Opportunities (120 slots rather than 60 for FY23)
- Quarterly E-Waste and HHW disposal opportunities

mulchmadness

DEPARTMENT OF THE ENVIRONMENT

SATURDAY
APRIL 23

*Public restrooms are not available.

8 am to 1 pm
or while supplies last

This mulch is primarily derived from the Christmas tree collections.

A skid loader will be available to load mulch into open bed trucks.

Prince George's County Organics Composting Facility

6550 Maude Savoy Brown Rd.,
Upper Marlboro, MD

(From Crain Highway, proceed on Maude Savoy Brown Road to Facility)

Source Reduction Tip:

Reduce water usage, prevent soil erosion, and reduce the use of herbicides in your home gardens by applying mulch.

- The event is for County residents only, proof of residency may be required.
- All attendees are encouraged to wear a face covering and follow social distancing guidelines.
- Self-loaders must bring their own shovels, pitch forks, bags, containers and/or tarps to secure/transport the material.
- Only non-commercial vehicles, 3/4-ton maximum weight are permitted. No business vehicle signage will be permitted, all commercial signs should be covered or removed prior to entering the site.

For more information, visit mypgc.us/mulchmadness

Angela D. Alsobrooks
County Executive

RECYCLING CONTAMINATION

- Contamination is COSTLY – in downtime and money.
- Processing stops, laborers are idle; equipment repairs are expensive.
- Causes a backlog of recyclables on the tipping floor.
- Reduces productivity and revenue.
- Contaminants in the bales diminish the value of recyclable materials and cause materials to be rejected by end markets.

****Remember, when in doubt leave it out!****

TOP 5 RECYCLING MISTAKES

- PLASTIC BAGS
- CHIP or SNACK BAGS
- CANDY WRAPPERS

- GARDEN HOSES
- ROPES
- CORDS

- BATTERIES
- ELECTRONICS
- HOUSEHOLD HAZARDOUS MATERIALS
- BALLOON HELIUM TANKS
- SMALL PROPANE TANKS

- CLOTHING
- WIRE & PLASTIC CLOTHES HANGERS

- DIAPERS
- TISSUES
- HYGIENE PRODUCTS
- PERSONAL PROTECTIVE EQUIPMENT (PPE)

To view a list of acceptable and non- acceptable recyclables, visit bit.ly/wastetoolkit

ORGANICS COMPOSTING

We're turning
FOOD SCRAPS
into **COMPOST**

Residents receiving **Curbside Organics Collection** must place food scraps and compost items in their green wheeled cart for pick up on Mondays.

ONLY Yard trim may be placed in paper bags.

- **Organics Collection Carts are currently being delivered to households that opted-in the food scraps composting program.**
- **Details are how you can participate in the program are coming soon!**

For more information, visit the Resource Recovery Division page
mypgc.us/compost

BROWN STATION ROAD SANITARY LANDFILL

***EFFECTIVE
OCTOBER 1, 2021***

Tipping fees at the
**Brown Station Road
Sanitary Landfill**
increased from \$59 per
ton to **\$70 per ton.**

Spring 2022

From the Director

Happy Spring, Community Partners!

The Spring Community Partners' Meeting comes as we initiate a renewed effort to provide you with information about DPIE services and programs. In March, we unveiled an updated and more user-friendly website. We are adding information to our web pages to better explain procedures. Our Publications page has been expanded to include additional documents in English and Spanish that you can access and share with your networks. In May, we begin our monthly "Third-Thursday Community Information Sessions" to inform customers about everything from the County Code to researching the permit history of properties.

Visit us frequently on the website at dpiе.mypgc.us and let us know how we can assist you!

Monthly Community Information Sessions Coming in May

Beginning May 19, DPIE will begin its Third-Thursday Community Information Sessions. Each session will focus on a particular topic and will include a brief presentation, comments by an agency expert and a short Q&A period.

The May 19 topic is “Verify Before You Buy.” Participants will learn how to research important aspects of residential and commercial properties before making a purchase.

Sessions will take place from 11 am – 12 noon. A Zoom link will be posted on the DPIE website in advance. Questions related to DPIE for the Q&A must be submitted to dpiepio@co.pg.md.us by May 2.

May 19, 2022

Angela D. Alsobrooks
County Executive

DPIE
DEPARTMENT OF PERMITTING,
INSPECTIONS AND ENFORCEMENT
Melinda Bolling
Director

Permitting and Licensing Division

Provides administrative oversight of permits and licenses

- Provides a one-stop permit approval process to ensure that permits are reviewed in a timely manner
- Reviews and processes all permit applications for construction and alterations of residential and commercial buildings
- Provides document screening for permit application submittals
- Responds to questions regarding the status and issuance of permits and engineering plan reviews
- Provides same day review/approval for projects that meet the “walk-through” requirements (currently for homeowners only)
- Issues permits, licenses and regulates various business activities per County Code
- Offers the Peer Review Program and the Third-Party Plan Review Program for review of commercial projects

Building Plan Review Division

Provides the review and approval of plans for residential and commercial construction

- Reviews and approves plans for all residential and commercial projects to ensure compliance with applicable codes pertaining to the following disciplines:
 - Structural
 - Mechanical
 - Energy
 - Electrical
 - Health
 - Fire Protection
 - Accessibility
- Reviews and approves plans for development involving water and sewer connections, plumbing devices and natural gas connections by WSSC
- Processes plans for internal and external agencies
- Provides plan review and inspections of new properties served by well and septic systems, public swimming pools and spas, and new food service facilities to ensure compliance with State and County Health regulations

Site/Road Plan Review Division

Reviews and approves plans for site and road construction

- Reviews floodplain studies
- Reviews and approves proposed utility work and small wireless facilities in public rights-of-way
- Reviews and approves plans for site and road development involving:
 - Site development
 - County and private roads
 - Paving
 - Grading
 - Driveways
 - Stormwater management and storm drainage
 - State highway roads (stormwater management only)
- Reviews and recommends issuance of site/road permits
- Reviews traffic studies and site development concept plans
- Reviews development plans relative to various environmental requirements

DPIE Partners with Sister Agencies to Address County Drainage Issues, Flooding

DPIE regularly collaborates with the Department of the Environment (DoE), the Department of Public Works and Transportation (DPW&T) and the Prince George's Soil Conservation District (PGSCD) on drainage issues. A comprehensive report compiled by a committee of the four agencies, "Drainage and Flooding in Prince George's County," was recently submitted to the County Council.

Access the [Drainage and Flooding presentation](http://dpie.mypgc.us/) at <http://dpie.mypgc.us/>.

Drainage and Flooding in Prince George's County

Inspections Division

Enforces building, site and road development codes and regulations

- Provides oversight of construction, development and grading for construction and renovations
- Provides oversight of the Third-Party Inspections Program process required for new commercial construction
- Condemns and demolishes abandoned, unsafe and uninhabitable structures in the County and the municipalities
- Performs Use & Occupancy Permit (U&O) inspections to verify conformance with code regulations (except within the City of Laurel)
- Performs inspections and enforces codes for building, electrical, mechanical, energy, fire/life safety, grading, stormwater management, and accessibility, and other regulations for construction projects
- Inspects site and road development, including tree conservation, site development, and sediment and erosion control

Buyer Beware!

Unpermitted Construction Hammers Unsuspecting Home Buyers

Unscrupulous “flippers” purchase properties cheap, make shoddy repairs or changes without the required permits and inspections, then sell them to unsuspecting buyers who later experience problems.

Protect yourself before you buy:

- Hire a certified independent inspector to inspect the home and identify any problems with construction.
- Visit the DPIE website to check for any permits that have been pulled for work on the property.
- Walk away from any house with unpermitted construction or make the seller fix the problems and secure the appropriate permits and inspections before you sign on the dotted line.
- Notify DPIE so the seller can be held accountable. County Council legislation helps authorities take action against flippers.

Access the following resources on the DPIE website:

- Find out when a permit is required:
<https://www.princegeorgescountymd.gov/1501/Residential-Building>
- Check permits by address:
<https://dpiestatus.princegeorgescountymd.gov/Site/Public/Citizens/ActivitySearch.aspx>. When entering the street name, use the first term. For example, search Chancellors Drive using “Chancellors.”
- Read the Homeowner’s Guide to Permits:
<https://www.princegeorgescountymd.gov/documentcenter/view/4897>
- Request copies of permits through the Maryland Public Information Act (MPIA):
<https://www.princegeorgescountymd.gov/2763/Methods-for-Submitting-MPIA-Request>

For more information, call the Permits Office at 301-636-2050, ext. 5 or visit [Permits Online](#).

Be proactive! Take action BEFORE you buy!

VERIFY Before You Buy!

Before you purchase a residential or commercial property in Prince George's County, do your due diligence by researching the following aspects of the property:

CODE VIOLATIONS

File a Maryland Public Information Act Request ([MPIA](#)) to check violations.

DRAINAGE AND FLOODING ISSUES

See a [comprehensive report](#).

PERMIT HISTORY

Check the [permit history](#) on any property and visit [PGAAtlas](#) for additional information.

PERMIT YOUR PROJECT

Read the [Homeowners Guide to Permits](#) for home improvement projects that require permits.

UNPERMITTED CONSTRUCTION (FLIPPED PROPERTIES)

Check the [permit history](#) and the State Department of Assessments and Taxation ([SDAT](#)) to verify renovations were permitted.

NUISANCE PROPERTIES

File an [MPIA Request](#) to determine if the property has been referred to the Nuisance Abatement Board. Check Data Prince George's for [crime stats](#).

RENTAL LICENSES

For single family and short-term rentals, file an [MPIA Request](#) for information.

ZONING (M-NCPPC)

Determine if a property is zoned for commercial or residential use and find other zoning information by visiting [PGAAtlas](#).

A little investigation now will protect you from problems later!

Enforcement Division

Enforces property maintenance standards and appropriate zoning laws

- Inspects residential, commercial and industrial properties to ensure compliance with housing, property maintenance and zoning codes
- Frequently addresses issues related to tall grass and weeds, open storage, accumulation of junk and trash, etc.

- Issues citations for all residential properties not in compliance with County Code
- Enforces the Zoning Ordinance to ensure private properties comply with approved land uses
- Regulates the placement of signs on private property and in public rights-of-way
- Inspects and licenses short-term rental properties and licenses all residential single-family rental properties

10 Frequent Code Violations

1. Operating a business, such as a restaurant or nail salon, out of a residence.
2. Performing automotive work on a driveway or street.
3. Doing unpermitted construction — construction without the appropriate permits and inspections.
4. Accumulating trash and dumping.
5. Parking commercial vehicles in driveways or on residential streets.
6. Parking vehicles on unpaved surfaces.
7. Failing to adequately maintain a property.
8. Allowing a property to fall into disrepair.
9. Keeping junk cars, tires, old appliances, building materials, etc. on your property.
10. Leaving abandoned properties unsafe and unsecured.

Landscape Litter Violates County Code and Negatively Impacts the Aesthetics of Residential and Business Communities

Make sure your property complies with County property maintenance requirements and positively impacts your neighborhood.

Don't Litter the Landscape!

Trash and debris; overflowing dumpsters and trash cans; dumped items; ugly, illegal signs; untagged and junk vehicles; old appliances, building materials; unkempt and unsecured vacant properties; tall grass and weeds; vehicles parked on unpaved surfaces

BLIGHTED Commercial Properties Violate County Code!

Operation Business Compliance (OBC) Is Cleaning Up Commercial Eyesores

Commercial property owners and their management companies are responsible for upkeep and ensuring that tenants comply with Code requirements. Operation Business Compliance (OBC) identifies properties in violation and works to bring them into compliance with standards, including:

- All businesses must have a valid Use & Occupancy Permit to operate
- Buildings, grounds and parking lots must be appropriately maintained — peeling paint, broken windows, busted concrete, filthy sidewalks, etc., are prohibited
- Commercial properties must be free of trash, debris, dumped items and illegal vehicles
- Trash receptacles must be emptied regularly and cleaned around to prevent overflow
- Properties must have adequate lighting in business and parking areas
- Parking lot spaces must be clearly marked
- Unpermitted illegal signs are prohibited

Call PGC311 to report property standards violations at commercial properties.

Don't Litter the Landscape!

DILAPIDATED Shopping Centers Violate County Code!

Operation Business Compliance (OBC) Is Focusing on Enforcement at Strip Malls

Owners and management companies of shopping centers are responsible for keeping the properties up to County Code and ensuring that tenants comply with regulations. Operation Business Compliance (OBC) identifies shopping areas in violation and works to bring them into compliance with standards, including:

- All businesses must have a valid Use & Occupancy Permit to operate
- Buildings, grounds and parking lots must be appropriately maintained — peeling paint, broken windows, busted concrete, filthy sidewalks, etc., are prohibited
- Commercial properties must be free of trash, debris, dumped items and illegal vehicles
- Trash receptacles must be emptied regularly and cleaned around to prevent overflow
- Properties must have adequate lighting in business and parking areas
- Parking lot spaces must be clearly marked
- Unpermitted illegal signs are prohibited

Call PGC311 to report property standards violations at commercial properties.

Don't Litter the Landscape!

Did You Know That **UGLY** Sign Litter Is Also **ILLEGAL**?

Posting roadside signs is a violation of **Prince George's County** Code. Violators face a fine of up to \$1,000 per location a sign is posted.

Instead of littering the landscape, advertise your goods and services on social media, community listservs, bargain consumer websites or buy ads in local newspapers.

Don't
litter the
landscape.

Angela D. Alsobrooks
County Executive

Melinda Bolling
Director

Beautifully and Comply While Growing Green with Pride

- ◆ Clear fallen branches and debris.
- ◆ Remove old appliances, building materials, furniture, untagged vehicles and vehicle parts.
- ◆ Trim plants, cut the grass and pull weeds before they reach they reach 12 inches tall.
- ◆ Fix and clean deck and patio furniture and recreational equipment for kids.
- ◆ Replace outdated holiday decorations with seasonally appropriate ones.
- ◆ Spruce up and secure vacant property.

Property maintenance standards protect the aesthetics, safety and value of our communities.

DPIE urges you to Beautifully and Comply!

For more information, visit the
DPIE website at dpi.e.mypgc.us.

Beautify and Comply While Growing Green with Pride Dumpster Drop-Off

Got household junk in your yard?

DPIE, in conjunction with DoE and DPW&T, is holding a Dumpster Drop-Off event for residents from 8 am–2 pm on Saturday, April 23, as part of **Growing Green with Pride Day** in Prince George's County.

Where: North — The Public Works Salt Dome, 11900 Montgomery Rd, Beltsville
South — The Clinton Park & Ride lot, 900 Stuart Lane, Clinton

DO BRING: sofas, dressers, tables, bookcases, entertainment centers, desks, fans, vacuums, chairs, doors, cabinets, smaller household items, mattresses and box springs (must be covered in protective encasements), and grills.

DON'T BRING: refrigerators, air conditioners, washing machines, dryers, hot water heaters, tree stumps and trunks, yard waste, lawn mowers, auto parts, tires, construction materials, carpeting, sheds, fences, hazardous waste, household trash, glass and mirrors, and other wood waste/debris.

For questions, email dpienio@co.pg.md.us or call 301-636-2053.

Angela D. Alsobrooks
County Executive

Nuisance Abatement Board (NAB)

- The NAB was established to hear complaints that allege acts that disturb the public peace or endanger the health, life or safety of residents, workers or visitors in the County.
- The seven-member board includes representatives from DPIE, the fire department, the police department and four citizens appointed by the County Executive.
- If the board finds a nuisance exists, it will order the activity to cease and may assess a fine. The initial fine is \$500; subsequent fines are \$1,000.
- The NAB is helping to restore order to some troubled neighborhoods.

Administrative Hearing Unit (AHU)

- The AHU is comprised of hearing officers who handle complaints about unlawful vehicles, open storage, trash and debris, tall grass and weeds, etc. They issue summonses, notices and default orders.
- Complaints are reported to 311 and routed to DPIE, where they are investigated and violation notices and/or citations issued. Respondents may request a hearing within 30 days of the issuance of a citation. The hearings are held within 30 days. Hearing officers render a decision within five days.
- County Council legislation extended the AHU's authority to include adjudicating citations issued for unpermitted construction and short-term rental violations. Final dispositions and orders for abatement are issued directly by the AHU hearing officers. The process now bypasses District Court and expedites orders for abatement.

Business Development Section (BDS)

The Business Development Section was created to help spur economic development by assisting the County's business partners. The team serves as a contact between businesses and staff and liaises with other government agencies on behalf of entrepreneurs. They offer webinars, trainings and a monthly BDS newsletter.

The BDS supports the growth of a thriving and diverse business community in Prince George's County by providing guidance and assistance to entrepreneurs as they navigate the permitting and licensing process. They will assist you by:

- Coordinating with agency personnel to facilitate completion of paperwork and document review
- Educating business owners about DPIE requirements and processes
- Liaising with entrepreneurs and other government agencies

Information Translations

El Departamento de Permisos, Inspecciones y Cumplimiento
(The Department of Permitting, Inspections and Enforcement [DPIE])

¡Operar un restaurante y vender comida en casa es ilegal!

¡Operar un restaurante, cafetería u otro restaurante y preparar comida en casa para la venta son violaciones del Código del Condado de Prince George que pueden crear riesgos de seguridad para las personas que viven allí!

- **¡Fuego!** Cocinar grandes cantidades de alimentos en un departamento, condominio, casa de pueblo o casa unifamiliar puede ocasionar incendios porque se pueden encender estufas no diseñadas para la producción en masa de comidas.
- **¡Envenenamiento por monóxido de carbono!** Muchas residencias no están equipadas con sistemas de ventilación adecuados para la producción en masa de comidas. Respirar monóxido de carbono puede provocar lesiones graves.
- **¡Peligro extraño!** Traer extraños a su casa para comprar alimentos expone a su familia a personas posiblemente sin escrúpulos que pueden regresar más tarde sin invitación.
- **¡Ratas y cucarachas!** Las ratas se sienten atraídas por todo tipo de alimentos y las cucarachas acuden en masa a los mostradores, armarios y pisos donde se han arrojado los alimentos. ¡Las áreas de almacenamiento y preparación de alimentos que se utilizan para producir grandes cantidades de alimentos pueden atraer alimañas y sus gérmenes!
- **¡Violación de distanciamiento social COVID-19!** Tener más de unas pocas personas dentro de una residencia viola los estándares de distanciamiento social ordenados por nuestros legisladores para mantenernos a salvo durante la emergencia actual de COVID-19. COVID-19 es una enfermedad viral grave que se transmite a través de la exposición de una persona sana a una persona infectada. Usar una máscara, lavarse las manos con frecuencia y mantener una distancia de al menos seis (6) pies de los demás son las mejores herramientas para ayudar a prevenir la propagación del virus.

Operar un restaurante ilegal o una operación de venta de alimentos puede generar una multa de hasta \$2,300 y otras consecuencias.

¡No te pongas a ti ni a tu familia en riesgo! ¡No cree molestias públicas para su vecindario!

Si está operando un restaurante ilegal o vendiendo comida en casa, ¡DETÉNGASE inmediatamente!

Para obtener más información sobre los mercados de agricultores, los camiones de comida y otras opciones permitidas para vender alimentos, visite el sitio web de DPIE en <http://dpi.e.mypgc.us>.

STORMWATER MANAGEMENT PONDS

- There are many different strategies and facilities to manage stormwater in the County.
- Ponds help with flood control and treat runoff before pollution enters waterways.
- Many ponds in the County are old (built 50 – 75 years ago).
- Sediment buildup & damage in old ponds prevents them from working effectively – Consent Decree.

CONSENT DECREE POND REHABS

- Consent Decree – agreement between the County & Maryland Dept. of Environment to meet stormwater goals.
- OSDM is working to maintain over 800 SWM facilities which includes 156 that need improvement, as identified in the Consent Decree due December 31, 2024.
- Focus is on compliance

Improvements

- Functional and corrective maintenance on all failing County-maintained stormwater management facilities
 - Sediment Removal
 - Clearing of inflow/outflow
 - Tree removal from embankments
- No plantings – Matting, topsoil, seed mix on disturbed areas

HOW YOU CAN HELP – REPORT ISSUES THROUGH 311

- 311 on the Go! 301-952-4729
 - [311 Website](#)
- Urgent Need: Call Dispatch at 301-324-2710

<https://mypgc.zoom.us/j/7828612111>

For more information visit www.princegeorgescountymd.gov/2607/PGCLitterTRAK

Registration is open from March 1 – April 15, 2022

**Supplies and mulch available for pick up
at the D'Arcy Road Maintenance Facility:**

- **Wednesday, April 20, 2022**
5 P.M. – 8 P.M.
- **Thursday, April 21 & Friday, April 22, 2022**
8 A.M. – 5 P.M.
- **Saturday, April 23, 2022**
8 A.M. – 12:00 P.M.

We will not be able to deliver supplies.

Join the PGCPROUD Challenge!

Angela D. Alsobrooks
County Executive

Supported by PepsiCo

Make a difference during "Preserve and Beautify our Environment" Week, April 18 - April 23, by registering for the Spring 2022 Growing Green with Pride Day on Saturday, April 23, from 8:00 AM - 12:00 PM, and by completing one of the challenges listed below.

Signing up for one of the community challenges is easy as 1, 2, or 3:

1. Participate in the utilization of PGCLitterTRAK and collect the largest amount of litter in your community (registration for Growing Green with Pride required). Sign up for PGCLitterTRAK here: <https://bit.ly/PGCLitterTRAK>
2. Gather the most volunteers to participate in cleanup efforts on Saturday, April 23 (registration for Growing Green with Pride required). Students are encouraged to participate for community service hours.
3. Create or beautify your community entrance or gateway. Send photos to: growinggreenwithpride@co.pg.md.us (registration for Growing Green with Pride required).

Proudly display your beautification projects and upload your litter collection data and photos into PGCLitterTRAK. Your community could win and receive additional items and surprises to continue keeping Prince George's Growing Green with Pride!

REGISTER BY
FRIDAY, APRIL 15:
[MYPGC.US/GROWINGGREEN](https://mypgc.us/growinggreen)
ENTER FOR A CHANCE TO
WIN \$100 - \$500
GIFT CARDS!

For more information and contest rules, visit pgcproud.com or email growinggreenwithpride@co.pg.md.us.

All gifts/contributions have been made voluntarily. No promises have been made in receipt of this donation. Prince George's County Government agrees to provide services as outlined in the partnership proposal with the donor/sponsor. The undersigned waives and releases all rights and claims that might be held against the Prince George's County Government, its duly elected officials, and its employees to save and hold harmless the County from losses, damages, or injuries.

*THANK YOU FOR YOUR
