

OCR in partnership with the Prince George's Community College Culinary Arts Center as a part of our 100 Events of Summer Initiative hosted our 1st Annual Mystery Food Cook-Off competition. The event was organized by L. Crump (OCR), D. Ware-Jackson (PGCC), K. Salmon (PGCC) and W. James (OCR).

The purpose of the event was to educate and promote healthy eating and active lifestyles in our community. We were working to connect the dots by bringing together education, business and government to address the health disparities in our community.

We were honored to be joined by Chef Lightfoot and Chef Wiggins, who shared healthy samples with the audience. We were also graced by the presence of OCR's Director E. Davis and Deputy Director D. Davis; and there were six cooks in the competition.

We congratulate Ms. Nigina Jackson, of Experience Prince George's who won 1st Place. And, thank all who worked tirelessly to make this event a huge success.

Wait until next year - you haven't seen nothing yet!!!
